### BOARD OF SELECTMEN AND SEWER COMMISSIONERS

**Organization**—The Selectmen and Sewer Commissioners organized on January 21, 1941 as follows: Chariman, David W. Kelley; Clerk, Albert W. Smith; Willis D. McLean, Charles P. Roundy and John J. White. During the year 46 regular meetings and 28 special meetings were held.

**Finances**—The total bonded debt at the close of the year is \$161,500.00 a reduction from last year of \$44,000. There is one outstanding loan in anticipation of revenue.

Two such loans were made during the year as follows:

Date Issued	Date of Maturity	Amount	Rate of Interest
February 11, 1941	December 1, 1941	\$100,000	.14% per annum
June 1, 1941	June 1, 1942	\$100,000	.147% per annum

Cash on hand December 31, 1941 is \$194,606.99 and the credit balance in the Excess and Deficiency Account on the same date is \$88,917.97. Uncollected taxes amount to \$55,701.72, the lowest figure in over a decade. The 1941 tax rate of \$25.40 was somewhat higher than that of the previous year, largely because of an unexpected appropriation of \$10,000 for plastering and waterproofing the high school, recommended to the special town meeting of April 28, 1941 by the committee appointed by the moderator following the annual town meeting. This appropriation represented over 70c on the tax rate.

**Reserve Fund**—Transfers from this fund, as authorized by the Appropriation Committee were as follows:

Water Department	\$ 2 33
W. P. A. Administration and Materials	3 50
Snow and Ice removal	32 50
Park Department	38 68
Appropriation Committee	1 56
Highway Department	70 00
Comm. of Public Safety	
Guard at Fire Station	225 00
Water Department (Guards)	420 00
Police Dept. (Salary Account)	150 00
Police Dept. Expense Account	625 55
Dental Clinic	5 00
Town Clock	16 00
State Aid	30 00
Town Accountant, Expenses	20 00
Town Clerk, Expenses	28 00
Fuel for Public Buildings	2,225 00
Insect Pest Extermination	498 00
Forest Fire, Service Account	400 00
Insurance Account	540 78
Workmen's Compensation	195 78
Fence at Town Dump	300 00
1 ½-ton Truck, Highway Dept.	843 90
Board of Selectmen and Defense	425 00
Total	\$7,096 58

**Jury Service**—The following were drawn as Jurors during the year: Edgar Grout, Joseph Erker, Gardner Whitney, Stuart Nickerson, James A. Sullivan, Thomas J. Lynch, James Buffington, Jr., John P. Bailey, Gabriel Glebus, John Dray, William F. Downing.

**Board of Appeals**—The following hearings were held in accordance with the provisions of the Town's zoning laws and of the General Laws:

- February 21— Mrs. W. H. Coffin, 81 Rhoades Avenue, application to change an existing dwelling into two families; approved.
- February 28— William Werning, 69 Federal Street, application to change an existing dwelling into a two-family house, same address; approved.
- March 14— Henry Hildebrand, 210 Main Street, application to change an existing two-family house into a three-family house; application denied.
- March 21— Dorothy Gannon, 150 Common Street, application to change a single-family house into a two-family house; approved.
- April 4— John Piattoni, 221 Common Street, application to change a two-family house into a three-family house; given permission to withdraw.
- May 9— Stephen B. Piasecki, application to build a piazza on the south side of an existing dwelling at 399 West Street; approved.
- June 6— John Civilinski, 5 South Street, application to change a two-family house into three apartments, same address; approved.
- July 25— George Vozella, application to build a garage within 10' of the property line on his property on Washington Street; approved.
- August 9— Emily A. Keedy, 58 Peach Street, application to change an existing dwelling, same address, into two apartments; approved.
- September 5— Mary A. Kirk, 718 Washington Street, application to make an addition to an existing building, same address; approved.
- September 5— John Piattoni, 221 Common Street, application to change an existing two-family house into a three-family house; application denied.
- September 19— Anthony Richardi, 1 Washington Terrace, application to change a single family house into a two family house; approved.
- October 10— Wilfred Johnson, application to make an addition to an existing dwelling at 535 Common Street; approved.
- November 7— Home Building Co., Inc. of Walpole, application to change a single family house into a two family house at 138 Pleasant Street; approved.
- November 7— Mrs. Eunice Whittier, 162 Union Street, application to change a single family house into a two family house; approved.
- November 7— Frank Richardi, 3 Washington Terrace, application to change a single family house into a two family house; approved.

**Sale of Land**—In accordance with the authorization of the Annual Town meeting, the following sales were made of property owned by the Town or acquired as a result of foreclosure of rights of redemption, thereby bringing this property back to a taxable basis.

April 18th—	Fred Mansen, land on South Street .....	\$135.00
July 11th—	Jean P. Howell, land on Wayside Park .....	25.00

**Board of Survey**—The following hearings were held by the Board acting as the Board of Survey, on proposed street lay-outs:

Date of Hearing	Location	Disposition
January 24, 1941	East Street from Washington to June Street	Approved
February 21, 1941	South Street from Common Street to Oak Street	Approved
March 7, 1941	Hartshorn Road from East Street to Station 210	Approved
March 21, 1941	Portion of Union and Chestnut Streets	Approved
April 25, 1941	May Street	Approved
September 29, 1941	Hanson Avenue	Approved
	Wedgemere Court	Approved
	Eastover Road	Approved
	Hutchinson Road	Approved

**Preamblelation**—In accordance with the provisions of the General Laws, members of the Board met with the Selectmen of Dover and Westwood on October 18, Norwood and Sharon on October 19, Norfolk on October 25, Foxborough on November 1, 1941, and preambulated the town boundaries.

**Public Highways**—The 1941 session of the Massachusetts Legislature returned to its former practice of contributing approximately one-half the cost of construction of main highways in accordance with the provisions of Chapter 90. Under this program, Walpole received about \$13,000 which was used for the rebuilding of East Street from Plimpton Street to Short Street and Short Street from East Street to Washington Street, and for the completion of Main Street from the end of the 1938 construction to Common Street. The Main Street job, completed in record time before the date set by the contract, and under difficult conditions requiring the maintenance of facilities for heavy traffic, is a great addition to the appearance of the center of the Town. The approaches to the Kendall Mills and to the Bird Machine Company, West Street and Neponset Street respectively, deemed additionally important because of the defense production carried on by these industries, were widened and rebuilt. Two dangerous intersections, that of East and Washington Streets, and Chestnut and Union Streets, were widened, substantially reducing the long-existent traffic hazards in those loca-

tions. At South Walpole, the road through the center of the common was eliminated in connection with the construction work on Summer and Neponset Streets.

**Parks and Playgrounds**—A milestone in the building of Memorial

Park was passed this year when the filling operations were finally completed after many years. Those who recall the low swamp extending from Stone Street to East Street and from School Street practically to Main Street, will realize the hundreds of thousands of yards of fill necessary for this task. The main lines of the water system in the park were laid and good progress was made on the baseball diamond until the supply of W. P. A. workers became non-existent. A large amount of fill obtained from the excavations on Summer Street was deposited in the South Walpole Athletic Field, which was then loamed and seeded.

**W. P. A. Projects**—This year saw the end of the W. P. A. in Wal-

pole, with the transfer of the workers to Federal Defense Projects and to private industry. Although the W. P. A. and its alphabetical predecessors were subject to criticism on the grounds of incompetency and boon-doggling, the Town of Walpole utilized these Federal aids during the depression years for a tremendous program of roads, sewers, bridges, water-extensions, and drains. Commencement of the South Street construction, in the form of drains, which was scheduled for the Fall of 1941 and was to be handled as a W. P. A. Project, was prevented by the abolition of the W. P. A. The Surplus Commodities Distribution Center which had been supplying food and clothing to needy citizens of Walpole and their families was closed at the end of 1941, owing to a lessened supply of products available for distribution and an increase in work and wages locally.

**Welfare and Unemployment Relief**—The reports of the Selectmen

by the Board of Welfare and by the Boards handling the various divisions of Social Security, found elsewhere in the Town Report, are complete in themselves.

**Defense and Other Activities**—Walpole was one of the pioneers in

local defense work, starting in June, 1940 with the work of Chairman Willis Hoyt and his Walpole Committee on Public Safety, and continuing in ever-increasing scope to the present.

On December 8, 1941, Congress declared war on Japan, following the Pearl Harbor disaster, and on the same date the Chairman of the Board of Selectmen summoned the Chief of Police, Chief of the Fire Department, the Commander of the American Legion, the Commander of the Walpole Unit of the State Guard

Reserve, the Chief Air Raid Warden, the Chairman of the Walpole Committee on Public Safety, the District Controller of the Walpole Warning Center, the Chairman of the School Committee and the heads of all the industries in town to consult as to additional measures to be taken for the public safety and the prevention of sabotage. This conference brought to light the pains-taking work that had already been undertaken by the public-spirited citizens of the town in manifold defense activities. The appropriations made in 1941 for defense purposes will materially aid in keeping down the cost of defense appropriations in 1942, which in other towns and cities may have to be of considerable magnitude. On December 16, 1941, the Board of Selectmen headed the reception line at the induction of the new Walpole Unit of the Massachusetts State Guard Reserve, which was created primarily for local protection. Auxiliary police and five squads were also formed during the year. Costs of materials of all kinds expanded during the year as defense production increased throughout the country, but by careful planning and timely purchases, most departments, under the control of the Board of Selectmen, remained within their appropriations.

With the expected curtailment of production of motor vehicles and tires in 1942, the policy of the Board of Selectmen and of the Town Engineer, during 1940 and 1941 in urging the Town to purchase trucks, the new grader, and other equipment, with any available funds, now places Walpole in an enviable position with respect to the condition of its equipment to meet future needs. The Board has taken cognizance of the rising cost of living, as well as of the high standard of work performed by the Town employees, and will recommend to the next annual Town meeting an increase in their wages and salaries.

DAVID W. KELLEY,  
ALBERT W. SMITH,  
WILLIS D. McLEAN,  
CHARLES P. ROUNDY,  
JOHN J. WHITE,

Selectmen and Sewer Commissioners

*The 1940 Walpole Town Report was awarded Third Prize in the State-wide Town Report Contest conducted by the Massachusetts Selectmen's Association. Walpole's Selectmen's Report, cover, visual devices and general appearance were commended.*

## JURY LIST FOR 1942

Andrews, Chester H.	Salesman	59 Lewis Ave.
Arena, John J.	Papermaker	95 Washington St.
Austin, Harold S.	Production Manager	24 Prospect St.
Baker, Howard D.	Merchant	249 School St.
Bates, Frank W.	Millwright	331 Washington St.
Benson, Harry	Salesman	762 East St.
Bishop, William F.	Inspector	172 Pleasant St.
Boulter, Curtis L.	Tailor	24 Gould Ave.
Bowker, Willard B.	Inspector	26 Winter St.
Brown, Lawrence T.	Assistant Auditor	107 Lewis Ave.
Buckman, Herbert L.	Fireman	114 Lincoln Rd.
Burrell, Victor	Foreman	164 East St.
Call, Raymond	Foreman	231 East St.
Clark, LeRoy F.	Purchasing Agent	134 Union St.
Coburn, Louis	Block Cutter	323 High Plain St.
Colburn, Arthur D.	Supt.	87 Lewis Ave.
Cole, Putnam	Pattern Maker	1652 Washington St.
Coleman, Ernest H.	Accountant	Woodland Rd.
Cooper, Frederic R.	Paymaster	312 Pleasant St.
Corbett, George W.	Salesman	868 East St.
Dalton, John J.	Printer	986 Main St.
Dalton, William P.	Iron Moulder	37 Clapp St.
Davis, Earle C.	Salesman	33 Park Lane
Deane, Robert M.	Factory	2 Bowker St.
Delaney, George B.	Foreman	600 East St.
Despinosa, Vincent M.	Box Maker	3 Gould Ave.
Donahue, William H.	Clerk	177 West St.
Dorrewachter, Karl	Cabinet Maker	467 Fisher St.
Dray, Leo F.	Salesman	146 Pleasant St.
Field, Basil G.	Planographer	70 Gill St.
Frink, Arthur H.	Shipper	28 School St.
Geraghty, Edward J.	Watchman	9 Washington St.
Gilmore, James F.	Manager	98 Lewis Ave.
Gilmore, Frederick H.	Clerk	Huntington Ave.
Giandomenico, Stephen	Factory	981 East St.
Grant, Victor	Machine Tender	120 Pleasant St.
Grindle, Edward E.	Clerk	83 Pemberton St.
Guttormsen, Paul A.	Engineer	13 Park Lane
Hanna, Howard S.	Purchasing Agent	92 Lewis Ave.
Hartig, Walter H.	Compositor	318 Washington St.
Heritage, Chester B.	Real Estate & Ins.	161 Coney St.
Hertel, Carl Jr.	Clerk	45 Pleasant St.
Hill, Arthur B.	Machinist	99 Lewis Ave.
Hill, Ralph A.	Machinist	48 Lewis Ave.
Hinton, Harvey H.	Machinist	35 Neponset St.
Hoyt, Guy H.	Foreman	230 Pleasant St.
Kelley, Joseph A.	Pressman	40 Common St.
Kelley, Michael	Engineer	16 Wolcott Ave.
Keneally, Richard F.	P. O. Clerk	12 Maguire Park
King, John F.	Printer	34 June St.
Knight, Paul	Foreman	142 Coney St.
Laracy, James B.	Tinsmith	13 Maple St.
Lovejoy, Sefton	Manager	689 West St.
Littlefield, Charles O.	Real Estate & Ins.	45 High Plain St.
Lines, Harold S.	Sales Executive	56 Lewis Ave.
Mann, Harry N.	Engineer	47 Mass. Ave.
Marshall, Walter W.	Retired	28 Wolcott Ave.
Maxwell, William A.	Shipping Clerk	44 Fisher St.

Michaud, Roland F. ....	Factory .....	118 Lincoln Rd.
Page, Austin .....	Pressman .....	26 Maple St.
Penza, John J. ....	Factory .....	240 Kendall St.
Plimpton, Henry .....	Machinist .....	Off Kendall St.
Quinn, Richard J. ....	Poultry Farmer .....	23 Winter St.

Wickham, Harold T. ....	Papermaker .....	235 Pleasant St.
White, Malcolm R. ....	Machine Tender .....	18 Bird St.
White, Raymond F. ....	Accountant .....	107 Union St.
Williams, Perry P. ....	Machinist .....	131 Winter St.
Wright, Lawrence S. ....	Sales Manager .....	663 East St.

### TOWN COUNSEL

A suit against the County of Norfolk for land damages, as a result of the relocation of North Street and takings incidental thereto, was decided in favour of the claimant by a jury of the Norfolk County Superior Court. Although the action is instituted against the County the Town of Walpole is the ultimate financially responsible party. In former years the damages were determined by the County Commissioners without consulting with your Board of Selectmen. At the present time, due to the efforts of the Board of Selectmen, the Commissioners are cooperating with the Selectmen on this type of case. I believe this to be a wise procedure on the part of your Board as they are more familiar with the problems presented locally than a Board comprised of members from another section of the County.

Other claims of a similar nature are pending in the Superior Court.

A claim against the Town for injuries received as a result of an alleged defect in a highway was compromised for fifty dollars.

Claims for damages for injuries received as a result of alleged defects in sidewalks are outstanding.

I can not urge too strongly the necessity for keeping sidewalks in a proper state of repair. The Board of Selectmen is familiar with the conditions of our walks and any recommendation that they include in the annual warrant should be supported by the citizens of the town as it would partake of the nature of insurance against claims in the future.

I have prosecuted, on behalf of the police department a case

involving serious charges and have advised members of the force in matters pertaining to criminal law.

Conferences with, opinions for and legal papers have been drafted for many of the town officers and committees. In short, I have fulfilled completely the requirements of Article 4, Section 1 of the Town By-Laws.

RICHARD H. KANNALLY,  
Town Counsel.

### TOWN ENGINEER AND SUPERINTENDENT OF SEWERS

**Highways**—All work scheduled for this department was completed except the re-building of Diamond Street which is being carried over into next year's program. An additional amount will be asked for a culvert on this street. This culvert is necessary to provide ample space to dispose of surplus fill obtained in 1942.

**West Street**—This street was re-built from Elm Street to Spring Street. The construction consisted of a type "I" bituminous concrete surface between Elm Street and the Neponset River and a penetration surface between the river and the railroad. A short curve was cut off near the Kendall Company parking area and the intersection of Station and West Streets widened. A new sidewalk was extended along West Street in front of the Epiphany Church and on Station Street opposite the Kendall Company's office.

**Summer Street**—From Washington Street to the N. Y. N. H. & H. R. R. was rebuilt. The entire roadway was widened and curbed and finished with a penetration surface. All water services were renewed before the construction and new drain outlets provided.

**Neponset Street**—From Washington Street to the Bird Machine Co. was re-built and consists of a penetration surface 24 feet wide. The intersection of Willow Street was widened and curves straightened to a large degree.

**Willow Street**—From Neponset Street to Washington Street was widened, scarified, tarred and gravelled. All water connections were renewed prior to re-surfacing.

**East Street**—From Short Street to the residence of John Burke was widened and re-built with a penolithic surface. This portion of the street was curbed after a new drainage system was installed. The water services were renewed to the street line.

**Street Intersections**—The intersections of Chestnut and Union Streets and East and Washington Streets were widened. This work was executed under contract and bids were opened on July 11, 1941. Sam Lorusso & Son of East

Walpole, as low bidder, was awarded the contract. Both intersections were widened substantially and penetration surface installed. Sidewalks were replaced. At the intersection of Washington and East Streets an island was placed in the center of this new construction for rotary traffic which will greatly alleviate the danger at this intersection.

**The following streets were re-surfaced:**

**Resurfacing:**

Norfolk and Main Street at the intersection.

Granite Street its entire length.

Washington Street, 1000 feet between Common and Baker Streets.

Pleasant Street from Wolcott Avenue to the Norwood line.

May Street the entire length.

South Street from Washington Street northwesterly approximately 1,400 feet.

Marston Road its entire length.

Charlotte Road its entire length.

Calvert Road its entire length.

Mason Street, that portion accepted by the town.

Barstow Road, that portion accepted by the town.

Stone Street from School Street to Diamond Street.

Lake Avenue from Mass. Ave. to Common Street.

School Street about 500 feet between Stone Street and East Street.

Wilson Street about 500 feet from the Norwood line southerly.

Plimpton Street from the residence of Joseph Welch to the Neponset River.

Shawnee Street its entire length.

Pocahontas Street its entire length.

Ossipee Street the entire length.

Prospect Street the entire length.

Lewis Avenue the entire length.

Hartshorn Road that portion accepted by the town.

Beacon Street about half the length.

West Street 2,400 feet toward Walpole from the Norfolk line.

Washington Street between High Plain Street and the residence of Louis Vose.

Hanson Avenue the entire length.

Wedgemere Court the entire length.

Hutchinson Road, the entire length.

Eastover Road the entire length.

Kendall Street approximately 400 feet in front of the Patterson residence.

Winter Street 1,500 feet from the residence of Chester P. Yonker southerly.

**Chapter 90 Construction**—Main Street from the end of the 1938 construction in front of the Town Hall to Common Street was re-built at a cost of \$9,612.09 of which \$5,000 was appropriated at the annual town meeting and the balance was allocated to the town from the State Highway fund. The work was done under contract. The following bids were received and opened by the State Department of Public Works:

Frank J. Jacobs Company, West Roxbury, Mass. ....	\$9,865.65
Sam Lorusso & Son, East Walpole, Mass. ....	10,106.03
Ashland Sand & Gravel Co., Ashland, Mass. ....	10,867.20

The contract was awarded to Frank J. Jacobs Co. of West Roxbury, the low bidder. The construction consisted of a bituminous concrete surface.

East Street from Plimpton Street to Short Street and Short Street from East Street to Washington Street was widened and rebuilt at a cost of approximately \$18,000.00 of which \$10,000. was appropriated at the annual town meeting and the balance was allocated to the town from the State Highway Fund. The construction consisted of a 30 foot penolithic pavement with some curbing and was done by the Highway Department.

**Chapter 90 Maintenance**—For the maintenance of Chapter 90 roads, the State and County made grants of \$1,500.00 each and the Town appropriated a like sum. The following work was completed: Elm Street from the residence of Charles E. Rafuse to the Medfield line, a distance of approximately 4,000, feet was widened increasing the width of the travelled way from three to four feet. After the widening the entire roadway was re-surfaced with a non-skid top.

Winter Street was re-surfaced at the approach to Stop River Bridge. New drainage was put in at the intersection of Washington and Common Streets and additional drainage installed on Common Street near Washington Street.

Catch basins were cleaned and brush cut on the following streets: Washington Street, Common Street, Elm Street, County Road, Shufelt Road, Coney Street, Portion of Water Street, High Plain Street.

**Parks and Playgrounds**—Approximately all the fill needed for Memorial Park was completed this year. Two drainage systems were installed and the water was carried from the main on Stone Street through the park to the rear of the H. A. Spear property and two hydrants installed. The foundations for two future tennis courts were located and a large area of the baseball field loamed. A large quantity of loam was bought and stored in the park for future construction.

The tree belts adjacent to town property, small parks and the commons were maintained as in former years.

Christmas trees were erected as customary on one of the three commons in the Center and on the common in South Walpole. The Walpole Retail Merchants Association donated to the cost of the Christmas decorations.

The Park Department worked in conjunction with the Highway Department on maintenance as well as construction. This permitted operations to be conducted with fewer men as demands from industry absorbed many who formerly were provided employment on town work.

**Tree Department and Insect Pest Extermination**—Thirty-eight trees were set out in various sections of the town and we hope to continue the planting program next year.

During the early part of the year considerable creosoting for gypsy moth was done. The areas of infestation were small throughout the town except in North Walpole where much feeding was noted. No indication of the brown tail moth was found.

**Sewer Department**—Curtailement of work was made in this department from that of previous years. Twenty-five house connections were made making a total of 258 connections in our system.

**Lateral sewers completed this year follows:**

819 lineal feet of 8" pipe on Clark Avenue  
375 lineal feet of 8" pipe on East Street  
108 lineal feet of 8" pipe on Moose Hill Road  
238 lineal feet of 8" pipe on Short Street  
178 lineal feet of 8" pipe on Woodland Road

1718 total lineal feet compared with 3449½ feet installed last year. 1688 lineal feet of 4" house connections were installed this year. The total length of our sewer system now is 61,337 lineal feet or 11.6 miles excluding house connections. No sewer construction is planned for the coming year.

**Repairs to Public Buildings**—Other than regular maintenance of our town buildings, major repairs were as follows:

**Bird School:**

Individual urinals in two boys' toilets.  
New ceilings in Rooms 3-4-5-7-8-11-12-13  
Repaired ceilings in corridors.

**Fisher School:**

Installed hot water unit.

**Stone School:**

Installed hot water unit.  
New smoke pipe in boiler to chimney.

## Center Library:

New hot water heater installed.

New sink installed.

## Blackburn Memorial Building:

New boiler.

## Town Hall:

New metal top over front door,

**Purchasing Department**—Increased attention was demanded in this department this year due to new government regulations and priorities. We are operating under Preference Rating A-10, pursuant to Preference Rating Order No. P-46. Constantly increasing prices have been noted during the year and deliveries of materials greatly retarded. However, we have continued our practice of careful canvassing of dealers with proper recognition of our local merchants.

**Work Projects Administration**—Our quota of workers at the beginning of the year was 53 which was decreased in June to 27 men and in December our final quota was 17.

Under date of December 15th the government ordered all W. P. A. manual workers to be transferred to the Hingham project and the W. P. A. projects in this town were then discontinued. The Selectmen voted to discontinue all other local W. P. A. projects.

As last year, the projects in general were confined to sewer, drain and some park construction. The results in general were satisfactory.

A list of the projects completed this year with the appropriations of local and government funds follows:

**W. P. A. PROJECTS OPERATED DURING 1941**

Project No.	Description	Town Expense	Federal Grant
83 & 17021	Transfers to Water Ext.	\$1,457.41	
18308	Sewer, Moose Hill Road	1,282.13	\$2,055.04
84 & 21523	Survey of Town Street Numbers	29.39	550.67
21523 & 85	Drain, Clark's Pond	1,788.88	3,680.77
21527 & 87	Storm Drain, Washington Street	1,107.14	967.55
22638 & 88A	Grantor—Grantee Index	185.37	3,347.24
22638 & 88-B	Sewer on Clark Avenue	1,143.41	2,354.19
23158	Sewer East & Short Streets	1,427.99	3,159.57
23247	Memorial Park	5,177.00	2,329.88
	Grantor—Grantee Index		512.45
	Administration	1,404.00	
	Total	\$15,002.72	\$18,957.35

Austin-Western Power Grader and Snow Plow—Purchased for Highway Dept. at Adjourned Annual Town Meeting Feb. 10, 1941

**Health Department**—As in the past, under the administration of Dr. F. H. Fuller, this department has continued to give beneficial service to the town. At the end of the year we have three hospitalized cases and the condition of each is improving.

The town dump was maintained in an orderly manner and the garbage collected regularly.

Recognition of the excellent work of Dr. Fuller and his associates is hereby acknowledged.

**Water Department**—This department had a very busy and successful year. On the streets where new construction was done the service pipes were renewed to the street line and hydrants individually gated. The following six inch water mains were installed:

- 360 feet of 6" pipe on Eastover Road
- 500 feet of 6" pipe on Hanson Avenue
- 250 feet of 6" pipe on Wedgemere Court
- 650 feet of 6" pipe in Memorial Park
- 974.6 feet of 6" pipe on Cascade Terrace

Due to the increase in building forty-eight new services were connected to our system. Five hydrants were also added, two in Memorial Park, one on each of the following streets, Eastover Road, Cascade Road and Wedgemere Court.

During the year final payment was made on the 1,000,000 gallon stand-pipe on High Plain Street leaving only \$5,000.00 payable yearly in water notes.

The total output of water from the pumping station was 368,573,000 gallons an increase of 64,480,000 gallons over 1940.

The equipment in the department is in excellent condition and is sufficient for the coming year.

FREDERICK F. LIBBY,  
Town Engineer and  
Purchasing Agent.

---

### HEALTH OFFICER

In January an epidemic of contagious colds or mild influenza broke out among the school population especially, with hundreds of cases and all but causing the closing of the schools. In many places they were closed. The epidemic lasted about two and a half weeks, gradually diminishing. Measels also was more prevalent than in other years. On the contrary the last four months of the year there were fewest recorded cases of contagious and other diseases than in many years.

The sanitary condition of the town remains good. Owners of out-buildings and garbage and refuse piles are careful to clean up and remove same, with few exceptions, without orders. The

town dump on Stone Streets extension is carefully looked after and should be adequate for many years. There is some demand for dumps at the East and South ends, but at this writing no one has come forward with suitable land for the purpose.

Due to war emergencies suitable land should be set apart, together with buildings for use as required for sanitary condition and otherwise.

The number of reported contagious diseases is as follows:

	3	Non-Contagious	
Scarlet Fever .....	3	Anterior Poliomyelitis .....	1
Diphtheria .....	0	Lobar Pneumonia .....	4
Chicken Pox .....	7	Dog-bite .....	8
German Measles .....	1	Malaria .....	3
Mumps .....	12	Undulant Fever .....	1
Measles .....	103	Pulmonary Tuberculosis .....	2

Inspections have been as follows:

Sanitary Inspections .....	19	Food .....	6
For Slaughtering .....	2	Plumbing .....	8
		On Complaint .....	9

DR. F. H. FULLER,  
Health Officer.

### SCHOOL DENTIST

I examined the pupils of the High School and the members of the different athletic teams were examined for insurance. A survey was made of all the lower grades and a marked improvement was noted.

The following is a record of the work done for the year:

Extractions		Fillings
Deciduous teeth	235	878
Permanent teeth	16	936
Total Operations		2221

CHARLES F. CHADWICK, D. D. S.,  
School Dentist.

### DENTAL HYGIENIST

Without changing our policy and routine, I am glad to report a few improvements in the dental program during the past year.

The first of these is the pre-school clinic, sponsored by the Visiting Nurse Association. Bearing in mind that the most prevalent ages for dental decay are the pre-school and adolescent ages, it can be readily understood how important such a clinic is and how it affects the whole dental program.

Another improvement was the annual dental examination, which was partly done by the dental hygienist, as a time saving device for the school dentist.

My request that dental care for the Fisher school children be given them in their own building has been granted. I am sure this will do much to improve the dental service in that school. Boyden school has received similar service for the past three years and a marked progress has been noted there.

As in the past years monthly classroom visits for dental hygiene lessons and mouth inspections took place. Time was also spent in helping the school nurse in various health activities. Number of prophylactic treatments—978.

ALICE E. BOURASSA,  
Dental Hygienist.

---

### MILK INSPECTOR

In 1941 the Health Department issued thirty-one licenses to sell milk and cream for stores and restaurants, twenty to dealers and seven local permits to those producers retailing less than twenty quarts daily.

The usual inspection of dairy animals, premises and samples of dairy products have been made. My records of bacteria count and microscopic appearance covering all licensed dairies show the town's supply to be most satisfactory.

The plant off Fisher Street of the United Cooperative Society has been greatly improved, many new pieces of equipment, such as a bottle washer and sterilizer, pasteurizer, cooler, etc., having been installed, and the interior renovated.

Walpole's milk supply is of such a quality, that a customer need not hesitate to accept deliveries every other day or less often if need be in the interest of defense savings or as a health safeguard.

Three licenses to maintain and operate a pasteurization plant were granted. A total of \$55.50 in licenses was collected.

WILLIS H. HOYT,  
Milk Inspector and Agent

---

### ANIMAL INSPECTOR

Herewith please find my report as Animal Inspector for 1941. Inspections were made on 59 (fifty-nine) premises and the following livestock inspected:

Cattle .....	582	Sheep .....	7
Hogs .....	87	Goats .....	23

During the year a number of dog bites were investigated but no cases of Rabies were found.

Sixteen (16) cattle were examined from outside the state and were admitted to herds.

FRANCIS X. MAGUIRE,  
Animal Inspector.

### **SUPERVISOR OF SWIMMING POOL**

Our matron for many years, Mrs. Chester Gove, found it impossible to continue at the pool this year, and Mrs. Marie Burrill took her place. I was sorry that Mrs. Gove felt that it was necessary to give up. She had always had such a deep interest in the work at the pool and had always done such fine work. Mrs. Burrill fitted in to the program very well, however, and I was very pleased with her work.

The number using the pool this year was approximately 1,000 less than used the pool other years. The decrease was apparently due to the older boys and girls being employed. The total number of swims was 10,380, and the number of different individuals using the pool was 1025.

The Red Cross program was carried on as usual.

STANLEY C. FISHER,  
Supervisor.

---

### **SLAUGHTER INSPECTOR**

Herewith is my report as Inspector of Slaughter for 1941:

Number of hogs inspected .....	42
Number of cattle inspected .....	5

FRANCIS X. MAGUIRE,  
Slaughter Inspector.

---

### **PLUMBING INSPECTOR**

One hundred and nine inspections were made during the year, the details of which are on file with the Selectmen.

EDWARD F. ONION,

---

### **BOARD OF PUBLIC WELFARE AND BUREAU OF OLD AGE ASSISTANCE**

The activities of our various departments for the year 1941 have been operating smoothly, we have been able to keep within the aggregate of the budgets for all our departments. As a matter of fact there will be unexpended balances from all departments for the year 1941. A transfer of \$1,700.00 from the Welfare Department to the Bureau of Old Age Assistance, account expenses in this department having materially increased. Our welfare list comprises only those who are totally unemployable and as stated last year, believe the expenses for this department have absolutely reached their lowest figure.

In conferences with your Board, our Federal Surplus Commodities Warehouse was discontinued as of December 31, 1941, we feel that this did not serve any real worthwhile purpose under the present day conditions, and it certainly did not save any money for any of our departments.

No doubt all are aware that the Old Age Assistance Act was drastically amended this year by our Legislature and becomes effective in 1942; increasing Old Age Assistance allowances and entailing other operating costs. Detail in this department continues to increase from year to year and will necessitate an even larger increase in our Old Age Assistance Budget for the year 1942.

In our A. D. C. Division the expenses are slightly increased, but were it not for the increase of State and Federal funds to this Department the town's expense would be much greater.

We trust that you have in mind the conferences between this and your Board concerning working conditions covering the requirements of the operation of our offices.

As stated in previous reports the Civil action by the Town of Foxborough against the Town of Walpole in conjunction with the Commonwealth of Massachusetts, has not as yet been called for trial. A request however, was made to the Court by the Town of Foxborough to remove this action from Norfolk to Suffolk County Court. This petition was denied by the Court.

We also understand that W. P. A. accident case involving about \$1,500 is unsettled. Adverse ruling, expense will revert to Welfare Department.

Several of our Old Age Assistance and Aid to Dependent Children cases have filed appeals, throughout the year, before the State Board of Appeals, but all decisions rendered have been in our favor.

### **Public Welfare**

The total number of cases coming under this heading, includes settled and non-settled cases, living in Walpole and other cities and towns during 1941 is 42.

#### **Aid To Dependent Children**

While the number of families receiving this type of aid has not increased rapidly the trend is toward slightly higher expenses, number aided during 1941: 10 cases—34 children.

#### **Bureau of Old Age Assistance**

The number of Old Age Assistance Cases since the passage of the original statute in July, 1931 has steadily increased. Out of 36 applications for Old Age Assistance received in 1941, aid was granted in 27 cases.

The present case load of Old Age Assistance cases is 96.

The budgets submitted to you for our departments for the year 1942, total as follows:

Welfare Department .....	\$23,370.00
Bureau of Old Age Assistance .....	24,771.00
Aid to Dependent Children .....	6,550.00

Against these items we have collected for the year 1941, \$19,499.74, which has been credited to the Excess and Deficiency

Account. This amount of money is exclusive of all Federal Grants and will be used, as in the past, to reduce the amount of our budget as submitted for the year 1942.

The number of visitations required, concerning all classes of recipients, have of course, increased very rapidly, and for the past year commitments to institutions and removals to hospitals have also increased rapidly. Furthermore, you will note that burial expenses have been quite high for the year 1941.

We wish to thank all Town Officials for the splendid co-operation; also the Salvation Army, American Red Cross, Lend-A-Hand Society, Italian-American Club, and all other charitable and social agencies which have been cooperative and of considerable help, especially at Thanksgiving and Christmas, when through their assistance we have been able to provide some little extras which we could not have provided directly from our departments.

We respectfully refer you to the Town Accountant's report for details of reimbursements and expenditures of this department.

This report is necessarily brief, our Nation is at war with forces that recognize no welfare and as Israel of old advised, "Let us repair to our tents and gird ourselves for our defense."

T. E. DELANEY, Chairman

H. E. TOWNE, Clerk and Agent

NILLA C. BOCK, Investigator

Board of Public Welfare.

T. E. DELANEY, Chairman

H. E. TOWNE, Clerk and Agent

MABEL HART

Bureau of Old Age Assistance.

### CHIEF OF FIRE DEPARTMENT, FIRE ALARM SUPT., WIRE INSPECTOR AND TOWN ELECTRICIAN

During the year the fire department has responded to 63 Box Alarms and 7 Still Alarms.

Summary of alarms and fires for the year:

Building Fires .....	29	Emergency or First Aid .....	1
Chimney Fires .....	13	Oil Burners .....	6
Automobile and Truck Fires .....	8	Caboose Fire .....	1
Dump Fires .....	2	Lightning .....	1
False Alarms .....	6	Out of Town Fires .....	2
		Lumber Yard Fire .....	1

We have laid 19,260 feet of hose and raised 1022 feet of ladder.

Value of Buildings burned .....	\$73,454.00
Loss of Buildings burned .....	12,205.55

Insurance of buildings burned .....	354,700.00
Insurance paid on Buildings burned .....	12,085.05
Value of Contents .....	\$47,925.00
Loss on Contents .....	9,120.77
Insurance on Contents .....	26,200.00
Insurance paid on Contents .....	9,045.77
Total Loss on Bldgs. and Contents .....	21,326.32
Total Insurance Paid .....	21,130.82

I have inspected and issued the following permits:

- 34 Permits for storage of range oil
- 43 Permits for storage of furnace oil
  - 1 Permit for bulk storage of furnace oil
- 3 Permits for use of dynamite
- 5 Permits for sale of fireworks
- 2 Permits for displaying fireworks

All schools were inspected as to fire drills and also have been instructed in fire prevention and how to send in an alarm in an emergency. I want to commend the school department on their good work.

As a defense measure we are now forming an auxiliary fire-fighting force.

#### **Forest Fire**

We have had 79 box alarms, 14 still alarms and 3 out-of-town calls.

During the dry period last spring we had a great many alarms for Grass and Forest Fires but I am happy to report we were able to keep them small with little damage. It is possible that in the future fires caused by unapproved incinerators the owner will have to pay the cost.

I hope the Town this year will find it possible to replace the G. M. C. Forest Fire Truck as it has seen its best days.

The town still has a very bad hazzard in our woods and I am asking the people of Walpole to help us keep our fires down and that they must obtain a permit for all out-door fires except when there is snow upon the ground.

#### **Fire Alarm Department**

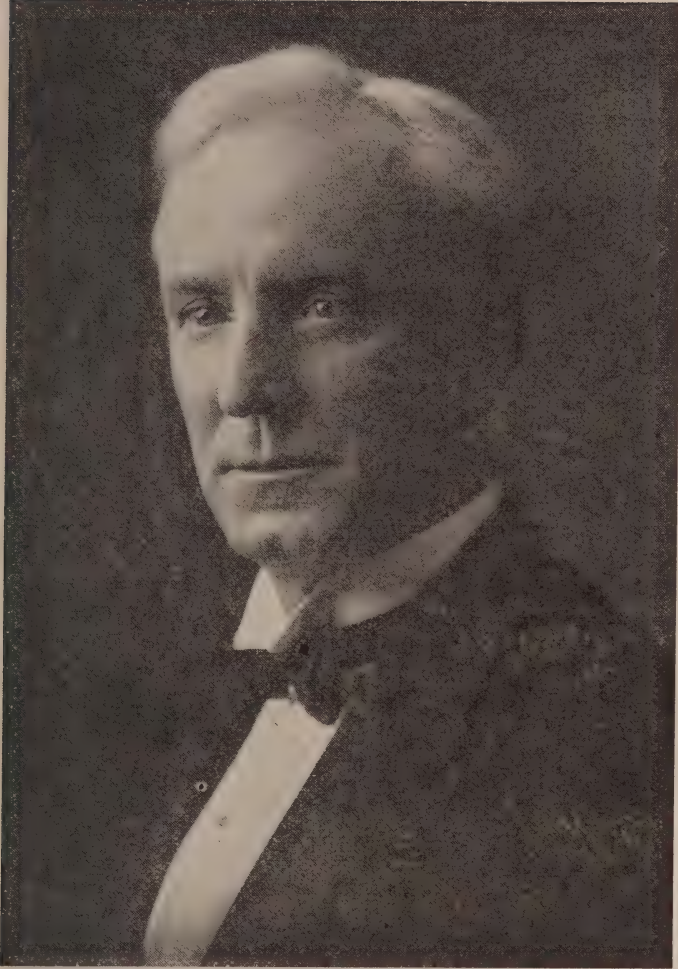

A great deal of work was accomplished this year. I am still carrying over a great deal of work on the outside lines, which was not accomplished this year because of new road construction in South Walpole.

#### **Town Electrician**

I have had 48 working orders this year through the office of the Town Engineer, also a number of telephone calls School Department and the Library.

#### **Wire Inspection**

I have had 190 applications for permits to do wiring in this town this year and want to thank the electricians for their co-

Stone School—William Burton

### School Calendar, 1941

Second Term began Jan. 6, 1941—ended Feb. 21, 1941 7 weeks  
 Third Term began March 3, 1941—ended April 18, 1941 7 weeks  
 Fourth Term began April 28, 1941—ended June 20, 1941 8 weeks  
 First Term began Sept. 3, 1941—ended Dec. 19, 1941 16 weeks

### THE SCHOOL COMMITTEE

The School Committee presents this report for the year ending Dec. 31, 1941 together with the report of our Superintendent.

At the first regular meeting the following officers were elected: Richard H. Kannally, Chairman, and (Mrs.) Charles R. Howard, Secretary and the following Committees were appointed:

#### Executive Committee

Denis F. O'Brien, Chair.  
 Sydney D. Chamberlain  
 Mrs. Axel Anderson

#### Committee on Textbooks

Mrs. Charles Howard,  
 Chairman  
 Mrs. Axel Anderson  
 James Buffington

#### Health Committee

Mrs. Axel Anderson,  
 Chairman  
 James Buffington  
 Mrs. Charles Howard

#### Teachers' Committee

Sydney D. Chamberlain,  
 Chairman  
 Denis F. O'Brien  
 Mrs. Charles Howard

#### Committee on Physical Education

James Buffington, Chairman  
 Denis F. O'Brien  
 Sydney D. Chamberlain

(The Chairman is a member ex-officio of all committees)

The regular meetings of the School Committee are held on the first Monday of each month at 7:45 P. M. in the School Committee Room in the Plimpton School. It is the wish of the Committee that anyone having suggestions, problems, or desiring information on school affairs appear before the Committee when it is in session.

**Improvements and Repairs**—The following repairs to school property have been made.

#### Bird School—

Urinals placed in boys' toilets.  
 New ceilings in Rooms 4, 5, 8, 11, 12, and kindergarten.  
 Corridor ceiling repaired.

#### Fisher School—

Hot water unit installed.

#### High School—

New wall and fence at boiler room entrance.  
 Waterproofing on walls of auditorium and library.  
 Roof repairs; flashing, etc.  
 Plastering of walls; auditorium, library.

**Stone School—**

- Hot water unit installed.
- 1 classroom painted.
- New smoke pipe, boiler to chimney.

**REPAIRS NEEDED****Bird School—**

- Cement floors, 2 basements.
- Cut door in outside wall of 1 basement.
- Paint corridor walls and repair stair railings.
- Lay new floors—3 classrooms.
- New ceilings—Manual Training room, Domestic Science room, corridors, auditorium, rooms 2, 9, 10, and 16, cloakroom and toilet at Kindergarten.
- New floors—Rooms 1, 4, and 13.
- Four new ash-pit doors.
- Weatherstrip outside doors.

**Boyden School—**

- New doors—Auditorium entrance.
- New doors—Boys' side—rear.
- Repair conductor pipes.

**Fisher School—**

- Paint basement walls—whiten ceilings.
- Paint classrooms and corridors.
- Install Stoker.
- Install Lavatory in Room 4 cloakroom.

**High School—**

- New draperies in Auditorium.
- New bubbler in Senior Shop.
- New doors, Rooms 109, 110, 112, 209.
- Drainage at rear.
- Paint Auditorium in Summer of 1942.
- Paint Library in Summer of 1942.
- Paint corridors in all places where plastering was done in Fall of 1941.

**Plimpton School—**

- Valves in hot water system.
- Paint 2 toilets.
- Surface yard at rear.

**Stone School—**

- Complete exterior work started in 1939.
- Paint interior (except Room 3).
- Install Steel fire-escape.
- Re-floor upper corridor.
- Replace windows—Room 1.

**New Law—**Chapter 423 of the Acts of the General Court of 1941 amends Chapter 76 of the General Laws by this addition:

'Absences may also be permitted for religious education at such times as the school committee may establish; provided that no public funds shall be appropriated or expended for such education or for transportation incidental thereto; and provided, further, that such time shall be no more than one hour each week.'

School Committees may now grant permission for pupils to be absent from school at specified times for the purpose of receiving religious education.

The Walpole School Committee has voted to permit pupils to be dismissed at 2:30 P. M. on Thursday afternoons, if parents present a written request for their children to attend an organized class in religious education conducted by their respective churches.

The School Committee is not permitted to furnish transportation to pupils absent for religious education, either from school to the church or from the church to their homes.

It is the intent of the law that pupils absent from the public schools for religious education shall actually attend the class held for that purpose. Absence from three consecutive meetings for religious education will be considered sufficient cause for withdrawal of the dismissal privilege, and the child will be required to remain in school. The churches have agreed to maintain attendance registers.

**No. School Signal**—When weather conditions prevent sessions of school, the whistle will sound a double round of 2-2.

7:30 A. M.—means No School in all schools.

7:45 A. M.—means No School in first six grades.

Whenever possible, radio stations WNAC and WEEI will announce No School for Walpole over their regular program of announcements between 7:00 A. M. and 7:30 A. M.

**Transportation**—The Rules and Regulations of the School Committee relative to transportation are:

1. Children of Grades 1-6 inc., who live more than  $1\frac{1}{4}$  miles from the school they are entitled to attend shall be furnished transportation.
2. Children of Grades 7-12 inc., who live more than  $1\frac{1}{2}$  miles from the school they are entitled to attend shall be furnished with transportation.

Outside of salaries, transportation is the largest single item of School Department expense. It forms 10% of the entire Budget and in 1941 amounted to \$17,435.06. Walpole is one of six towns in the State which requires a very large amount of transportation for its school children. This is due, of course, to the scattered centers of population and to the hazards of the road where no sidewalks exist.

**Athletic Field**—In September, the High School football coaches reported that they would prefer to use the Athletic Field in East Walpole for their home games rather than to use the new Athletic Field at the rear of the Plimpton School. The Superintendent was instructed to inform the Board of Selectmen that the boys will not use the new athletic field this year or until such time as it is in proper condition.

**Repairs at the High School**—During the year repairs were made to the roof, the outer walls and the inner walls of the high school where we had been having trouble from leaks. These repairs were made under the supervision of a special committee appointed for that purpose.

After rather extensive investigation the decision was made to follow up the repointing of the walls with a hot wax waterproofing treatment in certain areas, where we have had the most trouble. This was done in the library and around most of the auditorium.

The balance of the outside work was limited to repointing and recaulking and going over various places on the roof where additional preventative work seemed necessary to be sure that the building was tight. This work was started very shortly after school closed for the summer vacation and was not entirely completed until well after school opened in the fall. The areas on the inside walls where the plaster had been badly affected by water were replastered. In many places it was found possible to do patch work while in others the whole wall had to be replastered. It was considered inadvisable to try to paint these inside walls until the winter's heating season had completely dried out the moisture.

The results from recent storms seem to indicate that the major difficulty from leakage has been eliminated. A small amount of additional work will be necessary before the job can be called completed.

#### **Receipts on Account of Schools—**

Town of Norfolk, tuition .....	\$8,494.38
Commonwealth of Mass., tuition .....	1,442.14
City of Boston, tuition .....	397.92
Miscellaneous, Manual Training, rentals, etc. ....	562.51
Included in Income Tax received by the Town a/c Schools, (Chap. 70 G. L.) .....	12,920.00
	<hr/> \$23,816.95

Each year, claims are made upon the Commonwealth for reimbursement on account of the training, experience and salaries of teachers. These claims range from \$100 to \$200. This applies to the \$12,920 above. This reimbursement is not available to the School Department, but goes to the Walpole Town Treasury.

In addition to the \$23,816.95 indicated above, there is also an unexpended balance of \$1,047.64 making the net school cost 146,235.17.

**Financial**

Appropriation .....	\$170,892.65

1940	883	288	577	1748
1941	883	280	589	1752

**Other Tables and Statistics:** Tables and charts giving information regarding teachers, enrollment of pupils by grades, and by building, costs, etc., will be found on pages following the reports prepared by various school officials and supervisors.

**Textbooks:** New basal readers for the first three grades of the elementary school were adopted and put into use in 1941. The new text was selected after a long investigation by a committee of our primary school teachers.

A new 4-book Latin series was adopted for use in the High School. This text was selected with special reference to preparing pupils to pass the examinations set by the College Entrance Examination Board.

A 3-book series in Music Appreciation has been adopted.

**Health:** Very poor records for school attendance were made last winter during a brief epidemic of severe colds. Between 30% and 40% of our pupils were absent from school for a week or more in January, 1941. School Physicians urged that school sessions be maintained during the epidemic in order to facilitate a daily check-up by the Doctors and School Nurse.

Children selected by the School Nurse have continued to receive free milk each day as a mid-morning lunch. This year, another of our local organizations is furnishing orange juice and cod liver oil to children who need it. These children have been selected on the basis of an examination of their teeth.

All pupils of Grades 3 to 12 inclusive have had their eyes tested. For this work, teachers have used the new Vision Test equipment devised by the Massachusetts Department of Public Health in 1940. To this equipment we have added lenses and charts specially devised for testing the eyes of children of Grades 1 and 2.

**First Grade Procedures:** The sudden break between the freedom of home life and the relative confinement in school undoubtedly creates a hardship for some children when they first enter school. In addition, children vary widely in their ability to take their first steps in learning to read. The teachers of the First Grade have made some recommendations for a change in our present procedure, and these recommendations are being studied. They include:—

- a. Shorter hours for First Grade pupils for the first half of the year.
- b. A testing program to ascertain the best time for starting pupils in their reading.
- c. A program of handwork and games.

**Additional Teacher For High School:** The need for an additional teacher becomes more apparent. Since the last increase in teaching personnel was made, our high school enrollment has increased by over 60 pupils. This addition in numbers represents a need for two teachers in order to maintain an average load of 30 pupils per teacher per recitation. The addition of a teacher to our staff would help to alleviate the situation and would present an opportunity to do more directed work in Guidance.

**Vocational Work:** Various Federal Acts have made available to the Towns funds for the maintenance of vocational classes. In the present emergency, there is undoubtedly a need for trained mechanics. However, at least two things tend to prevent our embarking on a vocational education venture.

First, the machine equipment is very expensive and not procurable at present. Second, no space for the establishment of such class rooms is available in our High School. Boston Trade School welcomes Walpole boys and the cost to Walpole is much less than the maintenance of a vocation of class would be.

**Expansion of Practical Arts Department:** Each year, more boys have desired to take Woodworking than could be accommodated under one instructor in the High School Shop. Through a shuffling of assignment of subjects to some teachers, we have been able to use a second teacher in that Department and to provide woodworking to all boys who desired it.

**Expansion of Music Department:** This Department now has two full-time instructors. Each has a very full program. The program of vocal music and chorus work has carried on as usual. The increase has come from the interest displayed in two distinct fields: namely, Instrumental Music, and Music Appreciation.

**Exhibition in 1942:** For many years, it has been customary for the schools to hold every four years a two-day exhibition of regular school work. This custom will be continued, and plans are under way for the Exhibition to be held in May, 1942.

**Supplies:** Rising prices of school supplies have been noted. Paper costs have risen most, and some grades are hard to get. Desk and seat replacements cannot be obtained. A 10% rise in the cost of textbooks is effective January 1, 1942.

**Defense and Protection:** The School Department has gladly given the use of gymnasium, auditorium, and classrooms for many types of adult Defense Classes. In November, no less than seven different classes were being held in the High School alone.

I am pleased to be able to report that many teachers have been enrolled in our Defense Classes.

Plans have been worked out for the protection of school children in case of possible air raids. Building Principals have held "drills" in accordance with procedures recommended by Federal and State authorities to accustom the children to orderly and calm movement within the buildings.

**Conclusion:** All members of the School Department have contributed to make this a successful school year. All are to be commended. I appreciate this cooperation and extend my thanks to them.

The School Committee members have been constant and untiring in their attention to the needs of pupils and teachers. Their keen understanding of the problems which confront pupils and parents, and their efforts to help the schools to meet and solve those problems are of inestimable value to the town.

ARTHUR C. JONES,

Superintendent of Schools.

---

### PRINCIPAL OF THE HIGH SCHOOL

I herewith submit to you my annual report as principal of Walpole High School.

This year the enrollment in the school was the largest in its history, and on December 19 it was divided as follows:

Freshmen	143	Seniors	119
Sophomores	142	Post Graduates	7
Juniors	138	Total	589

Some classes are larger than before but in general there is no marked overcrowding. The conditions for study which have not been satisfactory for several years are worse on account of the increase in enrollment. The cafeteria must be used for study purposes as well as the rear of many classrooms. I consider the pupils do good work under very trying conditions for study. We could profitably use four additional rooms for senior high school work.

We have been unable to use the assembly hall since the opening of the school year due to repairs on the walls. This has been a definite loss to the student body.

Home room teachers continue conferences with pupils in matters of success and failure in school work. This is individual guidance which continues throughout the four years and special attention is given to pupils, in the last two years, who plan to attend college or some other educational institution after graduation.

We offer five different courses of study to all pupils and with such a varied program of work we feel that we are able to satisfy the interests, needs, and abilities of our pupils which is shown by the fact that few pupils leave school because of failure.

Opportunities in music are presented in varied forms to an increasing number of pupils. The school band has appeared at many community activities during the year. Pupils with literary and journalistic interests may find opportunity for expression in the school magazine the "Hill Quill" and in the senior yearbook.

Our athletic program appeals to a large number of boys and girls. We continue to enjoy the use of Bird Field, the golf course at the Walpole Country Club, and the tennis courts at Francis William Park. We wish to express appreciation for these privileges.

Our young people are aware of the critical times in which we live and are anxious to do their part in the defense activities of the community. Some have already directly assisted the Defense committee, others have taken part in the work of the Red Cross. Still others plan to study home nursing, while some are members of groups who are working on knitting projects. At the high school, we have planned a program of activity in Air Raid Precaution. This plan has had a test and the results were good.

Our school continues in Class A rating and the graduates have made good records in the business life of the town and in colleges and universities.

HAROLD A. STROUT,  
Principal of the High School.

---

### SUPERVISOR OF ART

The psychologically sound theory expressed last year is being applied. Progress has been made in the application of the educational philosophy, objectives, methods, and standards summarized in my previous report.

The children are invited to express their own ideas in their own way. Gradually they learn that art is a beautiful way of showing thought; that beauty gives pleasure; and the characteristics of beauty are design, simplicity, grace, and rightness. The latter stimulates effort to do one's best. The fact that design is

defined as a plan necessitates thought. The realization that only original work is creative results in the production of good, sincere child art which may be judged in accordance with approved criteria of evaluation.

A new opaque projector makes possible valuable eighth grade art instruction which develops appreciation based upon knowledge concerning the architecture, painting, and sculpture of the past and present.

The high school art students are responding enthusiastically to the opportunity to express their ideas by means of whatever available material they may prefer. Their response is indicative of the fact that art is a source of pleasure, and that it provides socially desirable interests.

Once more there is occasion to refer to the activities of the Women's Club. Edward Sweet, a former student, who was twice awarded scholarships made possible by that organization, is now studying at the Massachusetts School of Art and is also employed as an assistant instructor of pupils enrolled in the Saturday classes at the Museum of Fine Arts, Boston.

Everyone interested in the work of the schools has assisted us in making art enjoyable and meaningful.

HELENA M. SAUNDERS,

Supervisor of Art.

---

### MUSIC SUPERVISOR

The election of an assistant to full time teaching, marks the fulfilment of recommendations by two superintendents and the present supervisor for a complete program of music activities. No child can now go through Walpole schools without being exposed to opportunities to acquire skills in singing, reading, playing and listening to music.

Such skills should prove of value to the youth of these troubled times. History records that the Hitler of his nation fiddled while Rome burned. That countless worthy men, enmeshed in the turmoils of war, have found surcease to emotional stress through the medium of music. Our national anthem had birth in the travail of battle. It is to be hoped that in the present crisis, the cause will be won by men with generous songs in the hearts, rather than by those who cultivate the discords of hate.

ADELBERT H. MORSE,

Supervisor of Music.

---

### SUPERVISOR OF HOUSEHOLD ARTS

In the sewing classes of the sixth grade and Junior High School, we followed the course of study as previously outlined:

hand made bags, learning to operate the sewing machines, construction of garments using the commercial patterns, and methods of repairing clothes. The seventh and eighth grades cooking classes were taught food principles, and economical breakfasts; luncheons, and dinners were prepared and served.

We followed the work as outlined in both High School courses, teaching the girls in the Civic Arts Course the fundamentals and theories of Home Making and applying their practical work in foods and clothing during their fourth year.

Our first and second year Household Arts' girls studied the principles of foods and clothing and they had no end of opportunities in their practical work. The third year girls were taught Home Management from house selections, decorations, costs, to furniture arrangements, and budgets. Health and dietetics were studied during the fourth year.

DORIS MAXFIELD,

Supervisor of Household Arts.

---

### **SUPERVISOR OF MANUAL ARTS**

A class from the Civics Arts course in the High School has been added to the Practical Arts department during this past year, making a total enrollment of about ninety-seven boys. The need for this additional work has been apparent for some time.

I believe that we should at this time seriously consider the possibilities of a metal working course. Many of our boys eventually go into the metal working trades in Walpole and its vicinity. The trade schools of the State are so limited that boys from Walpole have had great difficulty in entering them, especially for the past year. During our national emergency I believe that we should help in this way, and we would at the same time broaden and enrich our Industrial Arts Course.

With our school exhibition coming in the spring our shops have been exceptionally busy during this fall term. We hope to have a good variety of projects on display.

ARNOLD F. GROVER,

Supervisor of Manual Arts.

---

### **SUPERVISOR OF PHYSICAL EDUCATION**

The usual plan of about five and one half months of outdoor work and four and one half months of indoor work, is carried out throughout the schools.

Walpole is fortunate in having good play areas at each school, which makes the outdoor activities possible. This pro-

gram is based largely on vigorous playground games and developmental skills. The winter program is devoted to those physical education activities which are more suited to indoors, such as marching, apparatus, corrective exercises, rhythms, and folk dancing. Last year in line with the Americanization trend, we emphasized a group of American pioneer folk dances.

The program is of necessity elastic so that it may be adapted to the different play areas and indoor facilities at each school.

For a month or six weeks the physical education periods at the High School are devoted to testing eyes. The very thorough State Department of Health method is used. This is done in cooperation with the school nurse who retests all questionable cases discovered, thereby having a double check on defective eye sight.

The High School girls as usual had two teams (tennis and field hockey) which met other schools in competition. The girls felt very fortunate in having their practice transferred to the athletic field behind Plimpton School. This was also appreciated by the football squad as it relieved the crowding and interference on the other field.

MILDRED WALLACE,

Supervisor of Physical Education.

---

### THE SCHOOL NURSE

During the year the school physicians examined all children, and it was pleasing to note that many of the physical defects had been corrected since the previous year. Special attention is paid to the boys and girls in High School who engage in competitive sports, and their examinations take place before their entrance into any strenuous activity.

From the results of the Massachusetts Eye Vision Test, now done in the schools, a number of children have been referred to eye specialists. Parents have made sacrifices to obtain eyeglasses when needed, and the children have been greatly helped in their school work.

The ear testing was done in February and March by use of the Audiometer. Several children attended lip-reading classes with an adult group in Norwood. This year, however, the Norwood Public Schools are employing a teacher in lip-reading. She works with all age groups from Grade III through Senior High School. Norwood Schools have extended this courtesy to the children of Walpole, and with the consent of the parents and the recommendation of their physicians, our children may attend these classes.

Tuberculin testing and X-Raying was done by the Norfolk County Hospital in freshmen and junior classes of Senior High School. The response from the parents was splendid and over two hundred children were tested in December.

Orthopedic children are receiving attention at a clinic held at the Brockton City Hospital. Our orthopedic cases, needing attention at the present time, consist mostly of postural defects.

The Woman's Club provides a jar of milk daily for some children in the lower grades, and this year the Walpole Rotary Club is providing orange juice daily for a few children. We urge parents to do all they can for the nutrition of their children, as we feel that now, more than at any other time, the health of the children is of paramount importance.

During the first three months of this year, due to the epidemic of colds, influenza and various contagious diseases, it was not advisable to gather the children together for a movie benefit, as is usually done at that time. However, the Teacher's Association held a Bridge Party in April and gave the entire proceeds (over one hundred dollars) to the health fund.

We wish to thank all the clubs and associations who contributed so generously toward the health of the school children. We are very grateful to the parents for their co-operation, and wish to assure the parents, in these trying times, that the combined efforts of all of us, are pledged for the health and safety of the children.

ALICE LOUISE DOWNING,  
School Nurse.

---

### PHYSICIAN FOR THE BIRD AND FISHER SCHOOLS

With the advent of the school year 1940-41, came the usual physical examinations of all the pupils in the above schools.

Rarely, a case of malnutrition due to improper feeding, or deficiency disease is found, with the resulting anaemia, and lowered bodily resistance which opens the way to tubercular infection.

In others, correction of unhygienic habits was attempted, and all these cases were referred to the school nurse and physical director for correction.

A review of the physical status of the children of our schools for the past five or six years shows a heartening and consistent progress. I feel that the follow-up work has been excellent, as has the early detection of contagious disease due to the admirable co-operation of teachers, nurses, and parents.

In the beginning of the year 1941, came an altogether unprecedented epidemic of a mild form of influenza or contagious

colds. In many towns, schools were closed and in several grades here there was only about forty per cent attendance. This wave of infectious colds lasted about ten days, and then gradually spent itself, and attendance became normal.

The number of children given anti-diphtheritic treatment in the above schools was approximately 75 at Bird and 25 at Fisher.

F. H. FULLER, M. D.,  
School Physician.

---

### PHYSICIAN FOR THE BOYDEN AND STONE SCHOOLS

This is my report as School Physician for the Boyden and Stone Schools for 1941.

Physical examinations were completed as usual for the six grades. The School Nurse attends to all the details. I noted that many defects to which I had previously called attention have been corrected.

Diphtheria Toxioid was administered and we are pleased to note that the percentage of children who have these treatments is continually increasing.

THOMAS M. CONNELL, M. D.,  
School Physician.

---

### PHYSICIAN FOR THE HIGH AND PLIMPTON SCHOOLS

I herewith submit my report as School Physician for the High and Plimpton Schools. As in previous years the physical defects have been reported and the parents have been notified. Special examinations have been given to the athletes.

Diphtheria immunization is in progress and the results are very satisfactory.

In comparison with the physical records of other years, I find that many of the defects have been corrected. This shows that the parents have shown their willingness to co-operate with the school officials.

EDWARD R. DeROMA, M. D.,  
School Physician.

**CHARLES FALES FUND SCHOLARSHIP COMMITTEE**

The Charles Fales Fund Scholarship Committee presents herein its eleventh annual report.

The following officers were elected at the December meeting. Richard H. Kannally, Chairman, (Mrs.) Mildred J. Howard, Sec'y.

The awarding of the Scholarships is based on the following excerpt from the will of Lewis F. Fales:

"In memory of my father, one hundred thousand dallars, to be known as the "Charles Fales Fund," to the Town of Walpole, Massachusetts, provided, unless a board of Commissioners of Trust Funds is then existing in said Town, said Town shall have created a board of Commissioners of Trust Funds in accordance with the laws of the Commonwealth of Massachusetts within two years from the time said Town is notified by my said Trustee so to do. The income from said funds to be used for scholarships to be paid as hereinafter provided to students, male or female, of the Schools of the Town who become students at any university, college or institute. Such scholarships are to be as nearly as practical each for the sum of five hundred dollars annually, and to be paid to each undergraduate in a university, college, or institute to whom it may be awarded by a Committee to be known as the "Charles Fales Fund Scholarship Committee," which Committee shall consist of the Superintendent of the Schools of Walpole for the time being, the Principal of the High School of Walpole for the time being, and if there be at any time more than one High School in Walpole the Principals of each High School for the time being, and the members for the time being of the School Committee or other body having charge of the Schools of Walpole. The awards of Scholarships shall be for one year and shall be made during the month of December of each and every year. Said Scholarship Committee shall keep a record of its doings and make a report to the Town at the end of each year. It shall so far as practical keep in touch with the progress and standing of each student to whom an award of a scholarship has been made. It is not my desire to hamper in any way the Committee in making their award, but there are these factors which I desire they should take into consideration,—Character, Scholarship, and Physical and Mental Vigor. I also desire that students wishing to extend their education along technical lines, shall, other things being equal be given preference."

The amount available for distribution this year was \$3,612.93. In accordance with the provisions of the will that scholarships are to be as nearly as practical each for the sum of five hundred dollars, seven scholarships were awarded.

The Committee, after a careful investigation of the candidates, awarded scholarships to the following:

Hudson Bates, B. U. College of Business Administration  
 Eugene Cray, Worcester Polytechnic Institute  
 Paul Guttormsen, Hanover College  
 William Harrison, Dartmouth  
 Fayette Hoyt, University of New Hampshire  
 Frances Maguire, Trinity College  
 Donald Reynolds, University of New Hampshire

The Committee has kept in touch with the progress and standing of each student to whom an award of a scholarship was made last year.

RICHARD H. KANNALLY, Chairman  
 MRS. MILDRED J. HOWARD, Sec'y  
 MRS. AXEL H. ANDERSON  
 DENIS F. O'BRIEN  
 SYDNEY D. CHAMBERLAIN  
 JAMES BUFFINGTON, JR.  
 ARTHUR C. JONES, Supt.  
 HAROLD A. STROUT, Principal, H. S.  
 Charles Fales Fund Scholarship Committee

### THE BOARD OF COMMISSIONERS OF TRUST FUNDS

The Board of Commissioners of Trust Funds have held meeting at various times during the year, as necessary, and submit the following report of income and disbursements from funds under their supervision for the year ending December 31, 1941:

	Income	Payments
Charles Fales Scholarship Fund .....	\$3,612.93	\$3,612.93
Bird Scholarship Fund .....	.49	None
Charles S. Bird Library Fund .....	287.53	287.53
(from Principal) .....		12.47
Lucy J. Gould Library Fund .....	15.15	15.15
Mary W. Hyde Library Fund .....	12.12	12.12
(Income of previous years) .....		6.06
Walpole Public Library Fund .....	41.74	None
Lewis Drinking Fountain Fund .....	16.39	None
Frederick E. Clapp Memorial Fund .....	10.48	10.48
(Income of previous years) .....		3.52
Clarissa Guild Cemetery Perpetual Care Fund .....	4.42	None
Susan Capen Cemetery Perpetual Care Fund .....	4.42	None
Mary W. Hyde Cemetery Perpetual Care Fund .....	4.42	None

Charles H. Guild Cemetery Perpetual Care Fund .....	13.11	None
Abigail Guild Cemetery Perpetual Care Fund .....	6.54	None
Margaret E. Capen Cemetery Perpetual Care Fund .....	16.39	None
Walpole Emergency Medical Aid Fund .....	1,200.47	121.16
	<hr/>	<hr/>
	\$5,246.60	\$4,081.42

In the case of the Charles S. Bird Library Fund, the sum of \$12.47 was paid from the Principal Account.

Payments have been made in accordance with the provisions made when the various funds were established.

J. A. VALENTINE, Chairman

B. D. ROGERS

A. H. ANDERSON, Secretary

The Board of Commissioners of Trust Funds.

### ANNUAL REPORT OF THE TRUSTEES

The Board of Trustees of the Walpole Public Library submit the following report.

Nineteen hundred and forty-one has been a year of change in the Library personnel, as Mrs. Margaret Frost, the Children's Librarian, left us in August, and Miss Ruth Balch, the Head Librarian, resigned in October. Though Mrs. Frost had been with us only two years, her work had been of exceptional quality, and Trustees and public regretted her leaving. Miss Balch had been here eight years, and under her regime many important improvements had been made in the Library. The fact that her new position as Hospital Librarian at Fort Devens requires experience and ability indicates her splendid record.

The Trustees were most thorough in searching for successors to these two key positions. In late August, Miss Eunice Crissey, a graduate of the Children's Department of the School of Library Science at Simmons College, came to take Mrs. Frost's place. In October, Miss Gertrude Henrikson, a graduate of the Carnegie Library School and an assistant at the Quincy Library, began her duties as Head Librarian.

With the annual Book Week Exhibition, the Library presented the first of a series of monthly Art Exhibits, lent by the Boston Art Museum. These exhibits consist of reproductions of famous works of art and are part of the free service rendered by the Extension Department of the Museum.

The Library has made a special effort to buy books of timely interest:—"Modern Shop Practice" and "Modern Economics" are among them. Literature on Defense has been featured. Also the Library is a receiving station for books donated by the public to men in the service.

In contacting other Libraries and Library Schools, the Trustees were gratified to learn that the Walpole Library is recognized as one of the best for a town the size of Walpole. This is due to the support of the public and the fine work of the Staff and for both, the Trustees wish to express their deep appreciation.

CHESTER H. ANDREWS, Chairman  
DOROTHY W. SPEAR, Secretary  
WAYLAND A. DuBOIS, Treasurer  
MAUD R. GRAVES  
ROBERT J. MURPHY  
CAROLINE P. ROUNDY

---

### LIBRARIAN

The year 1941 brought several radical changes in the personnel of the Library Staff.

In June, Miss Randall, the East Walpole Branch Librarian, became Mrs. Lester Tarbell, continuing in the same capacity.

Mrs. Freeman left the first of September, to take the position of children's librarian in the Coolidge Corner Branch of the Brookline Public Library. Her friendliness and genial personality are missed, not only by the children, but by the Staff and adult patrons as well. To fill the vacancy left by Mrs. Frost, Miss Eunice Crissey of the 1941 class of the Simmons College of Library Science, was appointed.

A month later, on October 20, Miss Ruth S. Balch, Librarian for the past eight years, resigned to assume the position of Hospital Librarian for the Lovell General Hospital at Fort Devens, Ayer, Massachusetts. Her character, executive ability, and charm have placed her as one of the foremost among the town librarians in Massachusetts. She is greatly missed by Trustees, Staff, and townspeople, but all extend good wishes to her in her new role as army hospital librarian. Miss Gertrude Henrikson, Hospital Librarian of the Thomas Crame Public Library in Quincy Massachusetts, was appointed to fill the vacancy.

During the Fall and Winter months, pictures from the Boston Museum of Fine Arts have been exhibited, and have added considerable to the appearance of the Library. Upon request, the Time Magazine Lecture Bureau began, in November, to send large, free maps showing areas of current interest. Lack of bulletin boards prevent full usage of these but those on view have elicited considerable response.

Following the lead of some of the larger libraries, all new non-fiction is displayed for approximately a week, before it is allowed to circulate. The primary purpose is to stimulate the reading of non-fiction.

Story Hour, on Saturday mornings, is more enjoyable, now that the Library has been given a victrola. It is hoped that the Library will be in a position to buy a suitable permanent, collection of records during the coming year, in order that this feature of Story Hour may become an integral part of the program.

Book Week was observed by the display of new children's books, and the holding of the annual morning coffee party for the mothers.

The cataloging of the books in the Historical Room was completed by Mrs. Wilson and Miss Quinn in November.

Before closing, I would like to thank the Trustees for their unfailing support and cooperation, and the Staff for the zeal and spirit of friendliness with which they carry out their various duties.

GERTRUDE HENRIKSON,  
Librarian.

The Librarian and Trustees wish to express their appreciation for flowers received from the following: Mrs. Roland K. Bullard, members of the East Walpole Garden Club, Mrs. Allen H. Russell, Miss Katherine Lewis, and Miss Doris Quinn.

Thanks for gifts presented during the year are extended to these people: Miss Jennie Daniels, Mrs. George Plimpton, G. F. Hanscom, Mrs. Robert Leeson, Mrs. Robert D. Wilson, Charles Sumner Bird, Jr., Lewis Chapter, D. A. R., Mrs. Evans F. Spear, and to Mrs. Harold S. Lines and Mr. Wayland A. DuBois for the loan of victrola records. Some historical documents were presented to the Library by Mr. Harold Goddard and Mr. Hiram Fuller, a welcome addition to our collection.

**WALPOLE COMMITTEE ON PUBLIC SAFETY**

The same organization set-up in 1940 has continued service in the interest of Defense throughout 1941.

A women's division was established in March and it has been particularly active under the direction of Mrs. Axel H. Anderson as Chairman. More than two hundred women attended the Walpole Women's Civilian Defense School, taking courses in First Aid, Canteen, Air Raid Wardens, Motor Corps, and Home Nursing.

An Air Raid Precaution school for men was started late in the year under the direction of Mr. Howard S. Hanna, Chief Warden. This essential defense work is growing fast.

Two public meetings have been held at the High School Auditorium, each reasonably well attended.

This community has an excellent A. R. P. warning and control center under the direction of Controller and District Director Mr. Willis D. McLean. Likewise a fully equipped Report Center headed by our Chief Air Raid Warden. These have functioned on 24 hour service since the United States declared war.

The Walpole Chapter of the Red Cross has been one hundred percent cooperative, being most helpful to our Medical Committee, particularly in connection with work on surgical dressings and First Aid instructions.

Headquarters for this organization were established in an office at Room 3, Odd Fellows Building in July with a clerk on duty

W. S. Keith, Regional Director  
Region VI—District B

### TOWN PLANNING BOARD

**Organization**—The Town Planning Board as elected for the year 1941 was: Charles S. Bird, Dr. Thomas M. Connell, John J. Fitzhenry, Willis D. McLean and William J. Sheehan. The Board organized with Willis D. McLean, Chairman and William J. Sheehan, Secretary. Miss Ella B. Knobel was re-engaged as Clerk. Regular meetings were held throughout the year.

**Chapter 211**—Under the provisions of this statute, persons making a sub-division of a lot, tract, or parcel of land into two or more lots, sites, or other divisions in such manner as to require provision for a street for the purpose, whether immediate or future, of sale or of building development, shall submit to the Planning Board for approval a plat of such subdivision. In accordance with this statute, the following plats for subdivision were submitted and approved:

May 26: Plimpton Homestead, Main St., John Hanson, owner.

June 7: Eastover St. Development, off East St.

August 2: Neponset River View Development, off Common St., John Piattoni, Owner

August 2: Lakewood Terraces, off Fisher St., H. Maynard Gould, owner.

**Zone Changes**—Public hearings on applications for changes in zoning districts were held as follows: January 7: Michael Medvaskas, Route 1. Change recommended and by vote of the town on February 10, 1941 was made effective. March 13: Nuziante Famigletti, 7 Washington St., East Walpole. Change not recommended and by vote of the the town on October 8, 1941 the change was denied. September 8: Federal Farm Mortgage Corporation (Carl A. Peterson farm, Route 1). Application with-

drawn. October 16: Adolf Tokaz, Route 1. Change recommended by a majority vote but action by the town at a town meeting on December 15, 1941 was referred to the Annual Town Meeting.

WILLIS D. McLEAN, Chairman  
WILLIAM J. SHEEHAN, Secretary  
JOHN J. FITZHENRY  
CHARLES S. BIRD  
DR. THOMAS M. CONNELL

Town Planning Board.

### WALPOLE VISITING NURSE ASSOCIATION

Bedside nursing visits to medical, surgical and maternity patients .....	2136
Prenatal visits .....	39
Follow-up visits and transportation of tuberculosis patients needing re-examination and chest x-ray .....	22
Child welfare visits including infant and pre-school .....	566
Social service calls and interviews in behalf of patients .....	253
Home deliveries at which nursing assistance was given .....	8
Home operations at which nursing assistance was given .....	25
Hours spent at the Lewis Manufacturing Company to give first aid and to assist with the physical examinations of employees .....	76

In addition to the usual program of nursing as recorded above, the Visiting Nurse Association sponsored several clinics during the past year.

The diphtheria toxoid clinic which was started in the previous November was completed in January. During this clinic pre-school children received immunization for diphtheria.

A pre-school dental clinic was held in June at which 36 corrective dental visits were made.

In September, the Well-Child Conference conducted by the Division of Child Hygiene, State Department of Public Health, was attended by 73 infant and pre-school children and their mothers. The follow-up work for the correction of the defects found during this Conference included another pre-school dental clinic in October. At this time 19 children received dental treatment.

Assistance was given for 12 tonsil operations. This was made possible through the generous donations of the Lend-a-Hand Club and the Walpole Board of Public Welfare.

We wish to thank all the individuals and organizations who have contributed financially or otherwise cooperated with the work of the Walpole Visiting Nurse Association.

BEATRICE BARBOUR, R. N.,  
Supervisor, Walpole Visiting Nurse Ass'n.

Collector of Taxes.

## REPORT OF AUDIT OF THE ACCOUNTS OF THE TOWN OF WALPOLE

For the Year Ending December 31, 1941

Made in Accordance with the Provisions of Chapter 44,  
General Laws)

February 6, 1942

I submit herewith my report of an audit of the books and accounts of the town of Walpole for the year ending December 31, 1941, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,  
Director of Accounts.

Mr. Theodore N. Waddell  
Director of Accounts  
Department of Corporations and Taxation  
State House, Boston

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Walpole for the year ending December 31, 1941, and report thereon as follows:

The financial transactions, as shown on the books and records of the several departments receiving or disbursing money for the town or committing bills for collection, were examined and checked with the records in the offices of the town treasurer and the town accountant.

The books and accounts in the accountant's office were examined and checked in detail. The recorded receipts were compared with the treasurer's books and with the books and records of the several departments in which charges originated or money was collected for the town. The recorded payments were checked with the treasury warrants and with the disbursements as shown by the books of the town treasurer. The appropriations and transfers as recorded on the accountant's books were checked and verified by comparison with the town clerk's records of financial votes passed by the town meetings and with the finance committee's authorization of transfers from the reserve fund.

The town accountant's ledger was analyzed, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on December 31, 1941.

As may be noted from the balance sheet, the Chapter 90 highway accounts are overdrawn, due to the fact that reimbursements were not received in time from the State and County to provide funds for the payment of pay-rolls and materials. These overdrafts could have been avoided if the treasurer had issued temporary loans under the provisions of Section 6A, Chapter 44, General Laws.

It was also noted that an additional appropriation was voted for the reserve fund at a special town meeting, contrary to the provisions of Section 6, Chapter 40, General Laws, which provides that an appropriation for a reserve fund may be voted only at an annual town meeting.

The books and accounts of the town treasurer were examined and checked in detail. The recorded receipts were analyzed and checked with the records in the several departments collecting money for the town, with other sources from which money was paid into the town treasury, and with the books of the town accountant. The recorded payments were checked with the selectmen's warrants authorizing the disbursement of town funds and with the accountant's books.

The cash books were footed and the cash balance on January 13, 1942, was verified by actual count of the cash in the office and by reconciliation of the bank balances with statements furnished by the banks of deposit.

The payment on account of maturing debt and interest were proved with the amounts falling due, and were checked with the cancelled securities and coupons on file.

The records of the several trust funds in the custody of the town treasurer, were examined and checked. The income was proved, the disbursements were verified, and the trust fund balances as of December 31, 1941, were reconciled by personal examination of the securities and savings bank books representing the investments of the funds.

The records of the tax titles held by the town were examined and checked. The amounts added to the tax title account were compared with the collector's records, the recorded redemptions, foreclosures, and disclaimers were checked, and the tax titles on hand were listed, proved, and compared with the records in the Registry of Deeds.

The books and accounts of the tax collector were examined and checked in detail. The taxes and assessments outstanding according to the previous examination were audited, and all subsequent commitments were analyzed and compared with the assessors' warrants for their collection. The recorded collections were compared with the payments to the treasurer as shown by the treasurer's and the town accountant's books the abatements, as entered, were checked with the assessors' records of abatements granted; the taxes and assessments transferred to the tax title account were compared with the treasurer's and the accountant's records; and the outstanding accounts were listed and reconciled with the town accountant's ledger accounts. The collector's cash balance on January 13, 1941, was proved by reconciliation of the bank balance with a statement furnished by the bank of deposit and by actual count of the cash in the office.

The books and accounts of the collector of water charges were examined and checked. The commitments were analyzed, the recorded collections were checked with the payments to the treasurer, the abatements were compared with the department records of abatements granted, and the outstanding accounts were listed and reconciled proved to the accountant's ledger.

The outstanding tax, assessment, and water accounts were verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town, and from the replies received thereto it would appear that the outstanding accounts, as listed, are correct.

The records of licenses and permits issued by the selectmen, town clerk, health department, and building inspector were examined and checked. The collections were compared with the payments to the town and state, and the cash balances were verified by actual count of the cash on hand.

The surety bonds furnished by the several officials required to file such surety were examined and found to be in proper form.

The records of departmental accounts receivable were examined and checked. The payments to the treasurer were verified by comparison with the treasurer's and the accountant's books, the abatements were checked, and the outstanding accounts were listed and proved to the accountant's ledger.

The records of receipts from hall rentals, the sealer of weights and measures, the dental clinic, the school and library departments, and of all other departments in which money was collected for the town, were examined and checked. The payments to the town treasurer were verified and the cash on hand was proved by actual count.

In addition to the balance sheet mentioned above, there are appended to this report tables showing a reconciliation of the treasurer's cash, summaries of tax, assessments, tax title, departmental, and water accounts, as well as tables showing the condition and transactions of the trust funds.

For the cooperation extended by all town officials during the progress of the audit, I wish on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,  
HERMAN B. DINE,  
Assistant Director of Accounts.

**ABSTRACTS OF RECORDS OF TOWN MEETINGS**

---

**TOWN OF WALPOLE  
COMMONWEALTH OF MASSACHUSETTS  
ANNUAL TOWN MEETING**

Monday, January 20, 1941 with Adjourned Meeting on Monday, February 10, 1941.

The Warrant was issued by the Selectmen under date of January 6, 1941 and was signed by David W. Kelley, Albert W. Smith, Willis D. McLean, Charles P. Roundy and John J. White.

The Warrant called for the election by ballot of five Selectmen, one Town Treasurer, one Collector of Taxes, one Moderator, all for a term of one year; one member of the Board of Assessors, two members of the School Committee, one Commissioner of Trust Funds, two Trustees of the Public Library, all for a term of three years; one Trustee of the Public Library for two years to fill an unexpired term; one Trustee of the Public Library for one year to fill an unexpired term; five members of the Town Planning Board, one for five years, one for four years, one for three years, one for two years and one for one year.

The proper service of the Warrant was attested by Levi S. Thompson, Constable of Walpole. All the requirements of the Statutes and Town By-Laws relating to Elections and Town Meetings were complied with.

Norfolk, ss:

Pursuant to the foregoing warrant, at a legal meeting of the inhabitants of Precinct 1, of the Town of Walpole, qualified to vote in elections, met in the Blackburn Memorial Building, in said Walpole on Monday, the Twentieth Day of January, 1941 at 7:30 o'clock in the forenoon and the inhabitants of Precinct 2, of said Town of Walpole, qualified to vote in elections met in the East Walpole Fire Station, in East Walpole, and the inhabitants of Precinct 3 of said Town of Walpole, qualified to vote in elections met in the Community House, in South Walpole, in said Town, on the same date and at the same hour to bring in their votes for the officers as called for in said warrant.

The meeting in Precinct 1 was called to order by Chester B. Gove, Warden of said Precinct 1, duly qualified for office, who acted as Presiding Officer. He was assisted by the following election officers, all duly qualified: George H. Ryan, Frank N. Spear, Frank F. Kivlin, H. M. Watson, Peter Becker, Harold L. Goddard, George W. Hubbard, Peter Cassidy, Walter Rockwood and William H. Flynn.

The meeting in Precinct 2 was called to order by William F. Geary, Warden of said Precinct 2, duly qualified for office, who acted as presiding officer. He was assisted by the following election officers, all duly qualified for office: Arthur Mellin, Raymond Cail, A. Kimball, Frederick Kinsman, John King, and Bernard McCabe.

The meeting in Precinct 3 was called to order by Reuben J. Whitcomb, Warden of said Precinct 3, duly qualified for office, who acted as presiding officer. He was assisted by the following election officers, all duly qualified for office: Harry L. Guild, Felix McMahon and Joseph C. Brooks.

The meetings in each Precinct were conducted in accordance with the statute. The ballot boxes in the three precincts were inspected and found to be empty and the registers set at zero (0) and the keys of the ballot box in each precinct were placed in the hands of the officer of the day at each precinct.

After the close of the polls at 8 P. M., when all votes had been canvassed and the results determined in accordance with the provisions of law, declaration thereof was made in open Town Meeting at the Town Clerk's office and was as follows:

The total number of votes cast in Precinct 1 was .....	458
The total number of votes cast in Precinct 2 was .....	261
The total number of votes cast in Precinct 3 was .....	105

---

The total number of votes cast in the three precincts was ..... 824

The result of the vote was as follows:

**Selectmen** (for one year); 5 to be elected:

	Prec. 1	Prec. 2	Prec. 3	Total
David W. Kelley .....	309	171	53	533

A true copy. Attest:

**KATHERINE J. HIGGINS,**

Town Clerk of Walpole

**ADJOURNED ANNUAL TOWN MEETING  
TOWN OF WALPOLE  
COMMONWEALTH OF MASSACHUSETTS**

**February 10, 1941**

**Norfolk, ss:**

Pursuant to the foregoing warrant, the adjournment of the Annual Town Meeting of the Inhabitants of the Town of Walpole, qualified to vote in elections and Town affairs, was held in the Auditorium of the High School Building, in said Walpole on Monday, the tenth day of February, 1941 at 7:30 P. M.

The meeting was called to order at 7:30 P. M. by Henry W. Caldwell, Moderator, a quorum being present.

**On motion made and seconded, it was**

**Voted:** to waive the reading of the warrant.

Charles Littlefield and Harry Mann were appointed Tellers by the Moderator and sworn into office by the Moderator to serve at this meeting.

**Article 1. To elect all other Town Officers not elected by ballot.**

**On motion made and seconded, it was**

**Voted:** that Reuben J. Whitcomb, David G. Fisher, William E. Ingram, Walter Meyer and Edward F. Jones be elected Surveyors of Lumber and Measurers of Wood and Bark.

**Article 2. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen to borrow money from time to time, in anticipation of the revenue of the financial year beginning January 1, 1941, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws, (Ter. Ed.)**

**On motion made and seconded, it was**

**Voted:** that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1941, to an amount not exceeding in the aggregate of Four Hundred and Fifty Thousand Dollars (\$450,000.00) and to issue a note or notes therefor, payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with the provisions of Section 17, Chapter 44, General Laws (Ter. Ed.), any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1941.

Affirmative	72
Negative	None

**Article 3.** To see if the Town will vote to petition the Director of Accounts, Department of Corporations and Taxation, Commonwealth of Massachusetts, for an audit of the Town's accounts, in accordance with Section 35, Chapter 44, of the General Laws, (Ter. Ed.)

**On motion made and seconded, it was**

**Voted:** that the Town petition the Director of Accounts, Department of Corporations and Taxation, Commonwealth of Massachusetts, for an audit of the Town's accounts in accordance with the provisions of Section 35, Chapter 44 of the General Laws. (Ter. Ed.)

**Article 4.** To see if the Town will vote to authorize the Collector, in collecting taxes to use all means which the Treasurer may use when appointed Collector.

**On motion made and seconded, it was**

**Voted:** that the Town shall and hereby does authorize the Collector in collecting taxes to use all means which the Treasurer may use when appointed Collector.

**Article 5.** To see if the Town will vote to authorize the Collector, in collecting water rates and service bills to follow the rules and regulations of the Water Department.

**On motion made and seconded, it was**

**Voted:** that the Town shall and hereby does instruct the Collector, in collecting water rates and service bills, to follow the rules and regulations of the Water Department.

**Article 6.** To see if the Town will vote to instruct the Collector, in collecting sewer assessments to follow the rules and regulations of the Sewer Department.

**On motion made and seconded, it was**

**Voted:** that the Town shall and hereby does instruct the Collector, in collecting sewer assessments to follow the rules and regulations of the Sewer Department.

**Article 7.** To hear and act on the report of any Committee and to choose any Committee the Town may think proper and transact any other business that may legally come before the Town.

Under this article, Mr. J. A. Valentine, Chairman of the Committee on New Equipment for the Blackburn Memorial Building, read a report of the Committee.

**On motion made and seconded, it was**

**Voted:** to accept the report of Mr. Valentine as a report of progress and that the Committee be continued in existence for a further period to continue in its work.

**On motion made and seconded, it was**

**Voted:** that the Board of Selectmen fill any vacancies in any outstanding Committees that may exist.

**On motion made and seconded, it was**

**Voted:** that the recommendations of the Appropriation Committee be accepted as motions.

**Article 8.** To see if the Town will authorize the Selectmen to sell any and all property now owned by the Town, or to be acquired as a result of foreclosing rights of redemption in said property, or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town authorize the Board of Selectmen to sell any and all property now owned by the Town or to be acquired as a result of foreclosing rights of redemption in said property.

**Article 9.** To see if the Town will vote to accept the provisions of Chapter 403 of the Acts of 1936, amending Chapter 152 of the General Laws, or do or act anything in relation thereto.

Mr. Kelley, Chairman of the Selectmen, explained that Article 9 referred to Workmen's Compensation for town employees and stated that it includes all town employees with the exception of the Fire Department and Police Department.

**On motion made and seconded, it was**

**Voted:** that the Town accept the provisions of Chapter 403 of the Acts of 1936, amending Chapter 152 of the General Laws.

**Article 10.** To see if the Town will vote to instruct the Selectmen to provide for compensation under the Workmen's Compensation Act for its laborers, workmen, and mechanics, including all employees of the Town regardless of the nature of their duties, receiving injuries arising out of and in the course of their employment or in case of death resulting from such injury, raise and appropriate money therefor, or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town raise and appropriate the sum of \$2,000.00 to provide compensation under the Workmen's Compensation Act for its laborers, workmen and mechanics, including all employees of the Town regardless of the nature of their duties receiving injuries arising out of and in the course of their employment or in case of death resulting from such injuries.

**Voted:** that the Town raise and appropriate the sum of \$10,500.00 for a Works Project Administration Account, covering cost of materials and administration, with the permission to use said appropriation, or any portion thereof, for the relief of the unemployed if the Works Project Administration is discontinued.

That the Town transfer the sum of \$4,500.00 from the Revenue of Water Department and/or Water Available Surplus for a Works Projects Administration Account, covering cost of material and administration, for water extensions with the permission to use said appropriation, or any portion thereof, for the relief of the unemployed if the Works Project Administration is discontinued.

**Article 33.** To see if the Town will vote to raise and appropriate a sum of money for the Maintenance of Chapter 90 roads in Walpole, said money to be used in conjunction with any money which may be allotted by the State or County or both for this purpose, or do or act anything in relation thereto.

**Voted:** that the Town raise and appropriate the sum of \$1,500.00 for the maintenance of Chapter 90 roads in Walpole, said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose.

**Article 34.** To see if the Town will vote to raise and appropriate a sum of money for land damages on Neponset Street as ordered by the Board of Selectmen, acting as, the Board of Survey, or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town raise and appropriate the sum of \$600.00 for land damages on Neponset Street as ordered by the Board of Selectmen acting as a Board of Survey.

**Article 35.** To see if the Town will vote to raise and appropriate a sum of money for land damages on Diamond Street as ordered by the Board of Selectmen, acting as the Board of Survey, or do or act anything in relation thereto.

**Voted:** that the Town raise and appropriate the sum of \$400.00 for land damages on Diamond Street as ordered by the Board of Selectmen acting as a Board of Survey.

**Article 36.** To see if the Town will vote to raise and appropriate a sum of money to pay fees to three Commissioners on the alteration on the Common Street bridge, or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town raise and appropriate the sum of \$75.00 to pay fees for Commissioners on the Alteration of the Common Street Bridge.

**Article 37.** To see if the Town will vote to raise and appropriate the sum of \$300 for Band Concerts during 1941, or do or act anything in relation thereto. (Petition of P. Bernard Spillane and others).

**On motion made and seconded, it was**

**Voted:** that the Town raise and appropriate the sum of \$300.00 for Band Concerts during 1941, said concerts to be paid at the rate of \$50.00 per concert with four concerts given at Memorial Park, one at South Walpole and one at East Walpole.

**Article 38.** To see if the Town will vote to purchase a 1½ ton truck with permission to trade a present 1935 Dodge truck in exchange and raise and appropriate or transfer a sum of money therefor, or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town raise and appropriate the sum of \$800.00 to purchase a 1½ ton truck with permission to trade a 1935 1½ Dodge truck.

**Article 39.** To see if the Town will vote to purchase a power grader with permission to trade present 1928 grader in exchange and raise and appropriate or transfer a sum of money therefor, or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town raise and appropriate the sum of \$7,500.00 to purchase a power grader with permission to trade a 1928 grader.

**Article 40.** To see if the Town will vote to accept a report of the Board of Selectmen, acting as the Board of Survey relative to the acceptance of Clinton Avenue from Washington Street to South Street, as shown on a plan entitled "Plan of Terrace Hill Estates, Walpole, Mass., September 10, 1940, by Kenneth E. McIntyre, Engineer," or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town accept a report of the Board of Selectmen, acting as the Board of Survey, and accept Clinton Avenue from Washington Street to South Street, as shown on a plan entitled "Plan of Terrace Hill Estates, Walpole, Mass., September 10, 1940, by Kenneth E. McIntyre, Engineer."

**Article 41.** To see if the Town will vote to build an Athletic Field in the rear of the Boyden School, South Walpole, raise and appropriate money therefor, or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town raise and appropriate the sum of \$500.00 to improve the Athletic Field in the rear of the Boyden School, South Walpole.

Article 42. To see if the Town will vote to raise and appropriate a sum of money to purchase the following items for the Blackburn Memorial Building:

1. One two-burner electric hot plate.
2. One hundred additional folding chairs.
3. One small wooden cupboard approximately 30" high, with a top area of sufficient size to accommodate the above electric hot plate, and inside shelf on which the hot plate could be safely stored when not in use, and a hinged front door with lock.
4. An electric wall outlet into which the hot plate could be plugged, this outlet to be located in the small room on the right-hand side of the front entrance to the building, where the switchboard is located.
5. A wooden shelf approximately 5' or 6' long and 24" to 30" wide, hinged to one of the walls of the above-mentioned small room, with two folding supporting legs at the front edge, so that the shelf could be folded down against the wall when not in use and so be out of the way.

or do or act anything in relation thereto. (Petition of James A. Valentine and others).

A motion was made and seconded, "That the Town raise and appropriate the sum of \$400.00 for the purchase of 100 folding chairs."

A substitute motion was made by Mr. Valentine, namely, "It is moved and seconded that the Town raise and appropriate the sum of \$430.00 for the purchase for the Blackburn Memorial Building of 100 folding chairs, one two-burner electric hot plate, and a plain wooden table or folding shelf, these articles to be under the custody of the janitor for the common use of organizations renting the building and desiring to use them."

On motion made and seconded, it was Voted to accept the substitute motion as given by Mr. Valentine.

On motion made and seconded, it was

Voted: that the Town raise and appropriate the sum of \$430.00 for the purchase for the Blackburn Memorial Building of 100 folding chairs, one two-burner electric hot plate, and a plain wooden table or folding shelf, these articles to be under the custody of the janitor for the common use of organizations renting the building and desiring to use them.

Article 43. To see if the Town will vote to raise and appropriate a sum of money to rebuild South Street, from Common Street in a southerly direction to Oak Street, or do or act anything in relation thereto. (Petition of John H. Peebles and others).

**On motion made and seconded, it was**

**Voted:** that this article be indefinitely postponed. (Rebuilding South Street).

**Article 44.** To see if the Town will vote to change from residential zone to mercantile zone the following described premises of Michael J. Medvaskas located on the south easterly side of the Boston-Providence highway known as Route 1:

Beginning at the southwesterly corner of said property at a Town Bound between Foxboro and Walpole and at the south-easterly side of Route 1, thence north-easterly on Route 1, 410 feet more or less, to a stone wall at the land of one Calf, thence southerly on said stone wall and land of said Calf 226.00 feet more or less, to the line between the Town of Walpole and Foxboro, thence westerly on the line between Walpole and Foxboro 315 feet more or less to the point of beginning. The above described parcel contains 36,490 square feet more or less. (Petition of Michael J. Medvaskas).

Under this article Mr. McLean of the Town Planning Board reported that the Town Planning Board had held a hearing in accordance with the by-laws when a change of zoning was requested. Mr. McLean reported that the Planning Board were in favor of and recommended the change of zoning called for under this article.

**On motion made and seconded, it was**

**Voted:** that the Town change from residential zone to mercantile zone the following described premises of Michael J. Medvaskas located on the south-easterly side of the Boston-Providence highway known as Route 1:

Beginning at the southwesterly corner of said property at a Town Bound between Foxboro and Walpole and at the south-easterly side of Route 1; thence northeasterly on Route 1, 410 feet, more or less, to a stone wall at the land of one Calf; thence southerly on said stone wall and land of said Calf 226.00 feet, more or less, to the line between the Town of Walpole and Foxboro; thence westerly on the line between Walpole and Foxboro 315 feet, more or less, to the point of beginning. The above described parcel contains 36,490 square feet, more or less.

Affirmative	97
Negative	0

The Moderator declared that the motion was carried.

**On motion made and seconded, it was**

**Voted:** that this meeting be dissolved at 10 P. M.

A true copy. Attest:

**KATHERINE J. HIGGINS,**  
Town Clerk of Walpole

**TOWN OF WALPOLE  
COMMONWEALTH OF MASSACHUSETTS  
SPECIAL TOWN MEETING**

**April 28, 1941**

**Norfolk ss:**

The Warrant was issued by the Selectmen under date of April 18, 1941 and was signed by David W. Kelley, Albert W. Smith, Willis D. McLean, Charles P. Roundy and John J. White. The proper service of the Warrant was attested by Levi S. Thompson, Constable of Walpole.

Pursuant to the foregoing warrant, a Special Meeting of the Inhabitants of the Town of Walpole, qualified to vote in elections and Town affairs, was held in the Auditorium of the High School building in said Walpole on Monday, the Twenty-Eighth day of April, 1941 at 8:00 o'clock P. M.

The meeting was called to order at 8:00 P. M. by Henry W. Caldwell, Moderator, a quorum being present.

**On motion made and seconded, it was**

**Voted:** to waive the reading of the warrant.

**Article 1. To hear and act on the report of any committee, or to choose any committee the Town may think proper, and transact any other business that may legally come before the Town.**

Under this article, Mr. Axel H. Anderson, Chairman of the Committee appointed by the Moderator, in accordance with vote passed at the Adjourned Town Meeting of February 10, 1941, to investigate the present condition of the High School with respect to the need for repairs, made a report of the Committee.

**On motion made and seconded, it was**

**Voted:** that the report of the Committee appointed to investigate the condition of the High School with respect to the need of repairs, as read by Mr. Anderson, be accepted and that said report be made a part of the records of this meeting.

The report of the Committee is as follows:

**Report of Committee Appointed at Adjourned Annual Town  
Meeting Held February 10, 1941 to Investigate Building  
Conditions at the High School**

Report of the Committee appointed by the Moderator to investigate building conditions at the High School and report as soon as possible to a special Town Meeting:

At the adjourned 1941 Annual Town Meeting held on February 10, a motion was carried to appoint a committee of five to make a thorough investigation of the present condition of the High School with respect to the existing need for certain repairs and to make a report and recommendation to a Special Town Meeting to be held at a later date.

The Moderator appointed as members of this Committee Messrs. A. H. Anderson, James Buffington, Jr., W. D. McLean, F. P. Reynolds, and J. A. Valentine. The Committee organized with Mr. Anderson as chairman and Mr. Valentine as secretary.

The Committee held seven scheduled meetings at each of which all members were present; in addition numerous conferences were held and inspections made. The Committee had the helpful cooperation of the Superintendent of Schools, Mr. A. C. Jones.

The first and probably the most important work of the members was to satisfy themselves that the building was structurally sound, and competent engineers reported this to be so. The condition of the walls is not necessarily brought about by faulty construction since many buildings, some very expensive ones, are similarly affected. The present construction is a twelve-inch wall, eight inches of brick and four inches of hollow tile. This is considered sound construction and it is feasible to plaster directly on hollow tile.

The next step was to thoroughly investigate all possibilities for water entering the building. The Committee's survey indicated that the trouble was confined chiefly to the new section of the building; that it has been of long standing and various methods have been employed to correct the situation but without success.

The new section of the building was erected in 1928. The following work of an extraordinary nature has been done since that time:

1st—In 1932 the entire roof for the new section was replaced with a Barrett specification roof. The copings were completely covered with copper flashings.

2nd—Following the completion of work on the roof, the area comprising the exterior of the Library from the roof to the first floor level was completely repointed. The entire south wall of the Auditorium also was repointed from the top of the parapet down a distance of approximately five feet. The windows were caulked.

3rd—In 1934 the walls of the Library were repainted.

4th—In 1935 the roof flashings were repaired.

5th—Early in 1936 the walls of the Library were again repainted.

6th—In the late fall of 1936 the ceilings were replaced.

7th—Early in 1937 considerable painting was done. This included the repainting of the Library and the Auditorium.

8th—In 1940 a major repair job on the flashings was completed by a competent roofer.

9th—During the Committee's investigation of the building, the roofer who installed the present Barrett roof was engaged in mak-

ing extensive repairs to the roof proper, these repairs being made under a guarantee bond issued when the roof was installed. There appeared to be no direct evidence of leaks from this source except the one in front of the stage in the Auditorium.

The foregoing repairs appear to have been made chiefly in an endeavor to correct the leaks in the walls of the Library, the Auditorium, and other parts of the building, except for the replacement of the ceilings.

The investigation made by the Committee appears to indicate that the principal reason for the leaking is due to water entering the walls through the mortar joints and through extremely porous bricks.

The present condition of the roof appears to be reasonably satisfactory but certain repairs still appear to be necessary, such as:

Repointing of the chimneys and brick ventilating stacks; reinforcement and repairing of copper ventilators; rechecking of all copper flashings, including the expansion joints.

The attached plan shows where water has entered the walls of the building. This will be referred to later in this report.

The Committee investigated all reputable methods of waterproofing brick exterior walls. These methods vary but may be classified under two headings:

(a) Reliance on repointing only, which is removing and replacing all defective mortar joints.

(b) Repointing same as mentioned above and in addition waterproofing the wall. This waterproofing is done by:

(1) Painting the surface or

(2) Impregnating the exterior surface of the wall with a high meltingpoint paraffin wax applied after heating the wall surface. This latter method seals the surface of the wall to a depth of one-quarter inch to three-eighths inch and forms a waterproof coating through which no water can pass.

No process is 100% effective if settlement cracks develop. Such cracks would have to be treated as they appear. We feel, however, that the building has been erected long enough to have developed most, if not all, settlement cracks that should normally occur.

Method (a) described above is essentially the same as was recommended at the adjourned Town Meeting February 10, 1941. It was employed on the exterior library walls in 1932 and proved unsatisfactory in that the leaks continued.

Method (b-1) has not proved to be very satisfactory and has only a life of less than five years.

Method (b-2) is a process which has been successfully used since 1885. Locally, it was used at the Norwood Hospital in 1928-29 to correct a situation there almost identical with the one

at our high school and has completely eliminated all leaks on the surface so treated. We tested with a blow torch these walls which had been treated in 1928 and found the wax still present in both bricks and mortar. This treatment, by keeping moisture out of the wall, has prevented salting of the brick and disintegration of the mortar which has taken place in areas repointed but not waxed within the last five years.

After much investigating and study the Committee unanimously is of the opinion that this process offers the most practicable method for correcting our problem. Obviously the Committee cannot and does not guarantee the results from any method that might be used, but we can get a ten-year guarantee if this particular process is used.

To treat the entire building by this process would be very expensive and we believe unnecessary because as yet a very substantial area of the building has not developed leaks and may never do so. Therefore, we are recommending this treatment for the following areas only. Referring to the plan herewith, these areas and other work recommended to be done are:

1. The wall in front of the Library from the top down to the main floor level.

2. On the north wall of the Auditorium from the front corner to the near edge of its first window, from top to grade; the entire front of the Auditorium from top to platform and the area below the upper platform; the south wall of the Auditorium from the front corner to the near edge of the hall windows, approximately three-quarters of the wall, from the top down to grade.

Items 1 and 2 will completely waterproof the plastered areas where serious trouble now exists.

3. Repoint only balance of the south wall from top to grade where necessary.

4. West wall—repoint only the entire length of wall from top down into headers of second story windows, a distance of approximately five feet.

5. South wall at stariwell opposite rooms 206 and 207—repoint only from top down to lower roof.

6. West wall above stariwell and room 206—repoint only from top down approximately five feet.

7. North wall covering rooms 206 and 207 from top down to window heads of rooms 107 and 108, which are directly below rooms 206 and 207.

8. East wall—old section—repoint where necessary only the two entrance sections and the wall between—from the top down to the first floor level.

Items 3, 4, 8—We feel that a repointing job only at these points, together with the caulking of windows, may well correct such minor leaks as now appear to exist.

Items 5, 6, 7—We feel that the areas here should be treated with the hot wax process, but because of the small area of plastered wall involved we are of the opinion that repointing only should be tried out, and if inadequate the hot wax process should be applied at a later date.

9. Recaulk all windows and doorways, both in the new and old sections, using oakum where necessary and applying a black mastic waterproofing compound, caulking to include the cast stone window sills and other trim.

10. Repoint chimneys and brick ventilating stacks; reinforce and repair copper ventilators; recheck all copper flashings, including expansion joints and make such repairs as necessary.

We have purposely omitted reference to repairs that may be necessary to the platform at the entrance to the Auditorium. There is a bad condition inside the lower entrance, but a seven-hour hose test of the upper platform did not indicate any leaks. While this test could not be considered conclusive, it is sufficiently indicative to justify delay in removing and resetting the platform. If, however, the recaulking, repointing and wax treatment of this area provided for in the recommendation above do not prove adequate, it may be necessary to make further studies of the construction of the platform and recommend further repairs at a later date.

We further recommend replastering the front wall of the Library, the south wall of the Auditorium, the stariwells in front of the Auditorium and in the old section, and make such other minor plastering repairs as are necessary in these areas. All replastering is to be left unpainted for one year to permit moisture which may now be in the walls to evaporate during a heating season.

We estimate the cost of the above repairs to be:

Outside work of repointing and waterproofing, etc.	\$8,500.00
Inside work of plastering .....	1,500.00
Total .....	\$10,000.00

To permit the Town to consider carrying out the foregoing recommendations, we requested the Selectmen to insert the following articles in the warrant for a Special Town Meeting to be held on April 28, 1941, at 8 o'clock P. M.

"To see if the Town will vote to raise and appropriate or transfer a sum of money for waterproofing a portion of the exterior walls of the Walpole High School and for making such repairs to the roof flashings and any other parts of the said Walpole High School as may be necessary to prevent water

entering said building, said work to be done under the direction of the Committee appointed by the Moderator on February 13, 1941, to investigate building conditions at the High School, or do or act anything in relation thereto. (Committee to Investigate Building Conditions at the High School).

"To see if the Town will vote to raise and appropriate by transfer a sum of money to repair and/or replace the plaster on such interior walls of the Walpole High School as may be considered necessary said work to be done under the direction of the Committee appointed by the Moderator on February 13, 1941, to investigate building conditions at the High School, or do or act anything in relation thereto. (Committee to investigate Building Conditions at the High School)."

Respectfully submitted,

A. H. ANDERSON

WILLIS D. McLEAN

JAMES BUFFINGTON, JR.

J. A. VALENTINE

F. P. REYNOLDS

Committee to Investigate Building  
Conditions at the High School

April 28, 1941

### Article 1.

Under this article the Moderator appointed James Ginley and Harry Mann to be Tellers at this meeting and they were sworn into office by the Moderator.

Mr. Reynolds, Chairman of the Appropriation Committee, reported relative to the financial condition of the Town at present.

**On motion made and seconded, it was**

**Voted:** that a Committee of three be appointed by the Moderator to work with the Selectmen on the procurement of new dump sites for Central, East and South Walpole.

**Article 2.** To see if the Town will vote to rebuild a portion of Main Street and to appropriate by transfer a sum of money therefor from the rebuilding of Summer Street Account (raised under Article 28 of the Annual Town Meeting Warrant) said money to be used in conjunction with any money which may be allotted by the State or County or both for this purpose, or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town rebuild a portion of Main Street and appropriate by transfer a sum of money not to exceed \$5,000.00 therefor from the rebuilding of Summer Street Account (raised

under Article 28 of the Annual Town Meeting Warrant) said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose.

**Article 3.** To see if the Town will vote to rebuild Short Street and a portion of East Street and to appropriate by transfer a sum of money therefor from the rebuilding of East Street Account (raised under Article 25 of the Annual Town Meeting Warrant) said money to be used in conjunction with any money which may be allotted by the State or County or both for this purpose, or do or act anything in relation thereto.

On motion made and seconded, it was

**Voted:** that the Town rebuild Short Street and a portion of East Street and appropriate by transfer a sum of \$10,000.00 therefor from the rebuilding of East Street Account (raised under Article 25 of the Annual Town Meeting Warrant said \$10,000 to be used in conjunction with any money which may be allotted by the State or County, or both for this purpose.

**Article 4.** To see if the Town will vote to appropriate by transfer the following amounts from the following accounts:

Engineer's Coupe .....	\$93.25
One-half ton truck .....	120.20
1½ ton Dodge truck .....	25.97
One-half ton truck .....	2.86
Power Grader .....	255.40
Workmen's Compensation .....	41.33

Total .....	\$539.01
-------------	----------

to purchase a one-half ton truck with permission to trade a 1934 Pick-up truck in exchange, or do or act anything in relation thereto.

On motion made and seconded, it was

**Voted:** that the Town appropriate by transfer the following amounts from the following accounts:

Engineer's Coupe .....	\$93.25
One-half ton truck .....	120.20
1½ ton Dodge truck .....	25.97
One-half ton truck .....	2.86
Power Grader .....	255.40
Workmen's Compensation .....	41.33

Total .....	\$539.01
-------------	----------

to purchase a one-half ton truck with permission to trade a 1934 Pick-up truck in exchange.

**Article 5.** To see if the Town will vote to raise and appropriate or transfer a sum of money to purchase uniforms and

badges for members of the Fire Department, or do or act anything in relation thereto. (Petition of Aaron H. Hill and Others).

On motion made and seconded, it was

**Voted:** that this article be indefinitely postponed. (Uniforms and badges for members of Fire Dept.).

**Article 6.** To see if the Town will vote to raise and appropriate or transfer the sum of \$843.90 to the Reserve Fund, or do or act anything in relation thereto.

On motion made and seconded, it was

**Voted:** that the Town raise and appropriate the sum of \$843.90 to the Reserve Fund.

**Article 7.** To see if the Town will vote to raise and appropriate or transfer a sum of money to build a fence in front of the Town dump on Stone Street extension, or do or act anything in relation thereto.

On motion made and seconded, it was

**Voted:** that this article be indefinitely postponed. (Fence in front of Town Dump).

**Article 8.** To see if the Town will vote to accept a report of the Board of Selectmen to accept South Street from Common Street to Oak Street, or any portion thereof, as shown on a plan entitled "Plan of South Street, by Kenneth E. McIntyre, Engineer, dated January 2, 1929," or do or act anything in relation thereto.

On motion made and seconded, it was

**Voted:** that the Town accept a report of the Board of Selectmen and accept South Street from Common Street to Oak Street, as shown on a plan entitled "Plan of South Street by Kenneth E. McIntyre, Engineer, dated January 2, 1929."

**Article 9.** To see if the Town will vote to accept a report of the Board of Selectmen to accept May Street, or any portion thereof, as shown on a plan entitled "Plan of May Street, by E. B. Lunden, Engineer, dated April 16, 1941," or do or act anything in relation thereto.

On motion made and seconded, it was

**Voted:** that the Town accept a report of the Board of Selectmen and accept May Street as shown on a plan entitled "Plan of May Street, by E. B. Lunden, Engineer, dated April 16, 1941."

**Article 10** To see if the Town will vote to raise and appropriate or transfer a sum of money to rebuild South Street, from Common Street in a southerly direction to Oak Street, or any portion thereof, or do or act anything in relation thereto. (Petition of John H. Peebles and others).

Moved and seconded, that the Town raise and appropriate \$3,500 for a Works Project Administration Account, covering cost of materials and administration for the construction of approximately 3000 ft., of drainage on South Street, from Common Street in a southerly direction to Oak Street or any portion thereof, according to the new lay out, with permission to use said appropriation or any portion thereof for construction of this drain by the Town should the Works Project Administration be discontinued.

**On substitute motion made by Mr. Kelley, Chairman of the Selectmen, and seconded, it was**

**Voted:** that the Town raise and appropriate \$1,000.00 (instead of \$3,500) for a Works Project Administration Account, covering cost of materials and administration for the construction of approximately 3,000 ft. of drainage on South Street, from Common Street in a southerly direction to Oak Street or any portion thereof, according to the new layout, with permission to use said appropriation or any portion thereof for construction of this drain by the Town should the Works Project Administration be discontinued.

**Article 11.** To see if the Town will vote to accept a report of the Board to accept a layout of the intersection of Chestnut and Union Streets, as shown on a plan entitled "Plan of Chestnut St., Walpole, Mass. by E. Worthington, Engineer, dated March 20, 1941," or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town accept a report of the Board of Selectmen and accept a layout of the intersection of Chestnut and Union Streets, as shown on a plan entitled "Plan of Chestnut Street, Walpole, Mass., by E. Worthington, Engineer, dated March 20, 1941.

**Article 12.** To see if the Town will vote to rebuild the intersection of Chestnut and Union Streets, raise and appropriate or transfer money therefor, or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town rebuild the intersection of Chestnut and Union Streets and raise and appropriate \$1,350.00 therefor.

**Article 13.** To see if the Town will vote to accept a report of the Board of Selectmen to accept Hartshorn Road from East Street to Station 2+50 as shown on a plan by E. Worthington, Engineer, dated October 20, 1923, entitled "Plan and Profile of Diamond Street Extension, through land of T. C. Hays, Walpole, Mass.," or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town accept a report of the Board of Selectmen and accept Hartshorn Road from East Street to Station 2+50 as shown on a plan by E. Worthington, Engineer, dated October 20, 1923, entitled "Plan and Profile of Diamond Street Extension, through land of T. C. Hays, Walpole, Mass."

**Article 14.** To see if the Town will vote to change from single residence zone to business district zone the following described premises of Nuziante Famigletti; beginning at a point on the westerly side of Washington Street at land of Mary Grokest, thence running southwesterly on Washington Street 100 feet; thence northwesterly by land of the Home Building Co. Inc. to land of Charles S. Bird; thence northeasterly by land of said Bird 100 feet to a point; thence southeasterly by land of said Grokest to the point of beginning. (Petition of Nuziante Famigletti).

**Article 14.**

Mr. Willis McLean of the Town Planning Board reported that a public hearing had been held by the Town Planning Board in respect to change of zone asked for under this article. Mr. McLean stated that opposition appeared at the hearing in regard to this proposed change of zone and that the Town Planning Board were also opposed to this change.

**On motion made by the Planning Board and seconded, it was Voted:** that Article 14 be indefinitely postponed.

Affirmative 147

Negative None

The Moderator declared that the motion was carried.

**Article 15.** To see if the Town will vote to raise and appropriate or transfer a sum of money for waterproofing a portion of the exterior walls of the Walpole High School and for making such repairs to the roof flashings and any other parts of the said Walpole High School as may be necessary to prevent water entering said building, said work to be done under the direction of the Committee appointed by the Moderator on February 13, 1941, to investigate building conditions at the High School, or do or act anything in relation thereto. (Committee to Investigate Building Conditions at the High School)

A motion was presented by Mr. Reynolds, Chairman of the Appropriation Committee and seconded, "That the Town raise and appropriate \$8,500 for waterproofing a portion of the exterior walls of the Walpole High School and for making such repairs to roof flashings and any other parts of said building, said work to be done under the direction of the Committee appointed by the Moderator on February 13, 1941, to investigate building conditions at the High School.

A general discussion followed in regard to repairs to be

made at the High School, Mr. Anderson, Chairman of the Building Committee, explaining in detail just what repairs it was intended to make and answering all questions asked.

A substitute motion was made by H. Lewis Banks and seconded, "That the Town of Walpole raise and appropriate a sum of money not to exceed \$500.00 to be used by the Committee on High School repairs for the purpose of procuring the services of a competent architect to make a thorough investigation of the last addition to the High School and make certain recommendations and drawings of what should be done to make the annex sound and tight," but on being put to a vote, it was **Voted in the Negative.**

**The original motion as presented was then taken up again and it was**

**Voted:** that the Town raise and appropriate \$8,500.00 for waterproofing a portion of the exterior walls of the Walpole High School and for making such repairs to roof flashings and any other parts of said building, said work to be done under the direction of the Committee appointed by the Moderator on February 13, 1941 to investigate conditions at the High School.

**Article 16. To see if the Town will vote to raise and appropriate by transfer a sum of money to repair and/or replace the plaster of such interior walls of the Walpole High School as may be considered necessary, said work to be done under the direction of the Committee appointed by the Moderator on February 13, 1941, to investigate building conditions at the High School, or do or act anything in relation thereto. (Committee to investigate Building Conditions at the High School).**

**On motion made and seconded, it was**

**Voted:** that the Town raise and appropriate \$1,500.00 to repair and/or replace the plaster on such interior walls of the Walpole High School as may be considered necessary, said work to be done under the direction of the Committee appointed by the Moderator on February 13, 1941, to inspect building conditions at the High School.

**Article 17. To see if the Town will vote to purchase a truck with permission to trade a present 1935 3½ ton White Truck in exchange and raise and appropriate or transfer a sum of money therefor, or do or act anything in relation thereto.**

**On motion made and seconded, it was**

**Voted:** that the Town purchase a truck with permission to trade a present 1935 3½ ton White Truck in exchange and raise and appropriate \$6,000.00 therefor, and that any unexpended balance of this appropriation revert immediately to Excess and Deficiency Account.

**On motion made and seconded, it was**

**Voted:** to take up Article 1.

Mr. Kelley, Chairman of the Selectment, called the attention of the voters to the recently published town report for the year 1940. He stated that in previous years the Board had a photograph of the town hall on the front cover but that on this report a drawing of same was made as the Board was fortunate in securing the services of Harriet Smith Cushman who made this drawing.

**Voted:** at 10:55 P. M. that this meeting be dissolved.

**TOWN OF WALPOLE  
COMMONWEALTH OF MASSACHUSETTS  
SPECIAL TOWN MEETING**

**August 4, 1941**

**Norfolk, ss:**

The Warrant was issued by the Selectmen under date of July 25, 1941 and was signed by David W. Kelley, Willis D. McLean and John J. White. The proper service of the warrant was attested by Levi S. Thompson, Constable of Walpole.

The meeting was called to order at 8:00 o'clock by Henry W. Caldwell, Moderator a quorum being present.

**On motion made and seconded, it was**

**Voted:** to waive the reading of the warrant.

**Article 1. To hear and act on the report of any Committee or to choose any Committee the Town may think proper, and transact any other business that may legally come before the Town.**

The Moderator appointed Ralph Bassey and Chester B. Gove to act as Tellers at this meeting and they were sworn into office by the Moderator.

**Article 2. To see if the Town will vote to raise and appropriate by transfer a sum of money to rebuild Neponset Street from Washington Street to the Bird Machine Company, or any portion thereof, said sum to be in addition to the amount appropriated under Article 27 of the 1941 Adjourned Annual Town Meeting, or do or act anything in relation thereto.**

**On motion presented by the Chairman of the Appropriation Committee and seconded, it was**

**Voted:** that the Town raise and appropriate by transfer from the Excess and Deficiency Account the sum of \$3,000.00 to re-

build Neponset Street from Washington Street to the Bird Machine Company, or any portion thereof, said sum to be in addition to the amount appropriated under Article 27 of the Adjourned Annual Town Meeting.

(Unanimous Vote)

**Article 3.** To see if the Town will vote to abandon the passage-way from Washington Street to Neponset Street, meaning and intending thereby to abandon the way through the middle of the South Walpole Common, so-called, or do or act anything in relation thereto.

On motion made by the Chairman of the Selectmen, and seconded it was

**Voted:** that the Town abandon the passage-way from Washington Street to Neponset Street, meaning and intending thereby to abandon the way through the middle of the South Walpole Common, so-called.

Affirmative	52
Negative	19

The Moderator declared that the motion was carried.

**Article 4.** To see if the Town will vote to raise and appropriate by transfer a sum of money for the alteration of the South Walpole Common, so-called, or do or act anything in relation thereto.

On motion made by the Chairman of the Appropriation Committee and seconded, it was

**Voted:** that the Town raise and appropriate by transfer from the Excess and Deficiency Account the sum of \$1,400.00 for the alteration of the South Walpole Common, so-called.

Affirmative	47
Negative	23

The Moderator declared that the motion was carried.

**On motion made and seconded, it was**

**Voted:** to take up Article 1.

### Article 1

Under this article Mr. Axel Anderson, Chairman of the Committee on Repairs to the High School, made a report of the progress on the work.

In answer to a question of Mr. Anderson's as to why it was necessary to make a transfer from the Reserve Fund for the Coal and Oil Account, Mr. McLean of the Board of Selectmen explained that due to an enactment of the Legislature that unpaid bills of previous years cannot be paid from the following year's appropriation, it was necessary to carry over unpaid bills of 1940 of approximately \$1,800.00, therefor it necessitated a transfer for the payment of these bills.

**Voted:** at 9:15 P. M. that this meeting be dissolved.

Town Clerk of Walpole

**TOWN OF WALPOLE  
COMMONWEALTH OF MASSACHUSETTS  
SPECIAL TOWN MEETING**

**October 8, 1941**

**Norfolk, ss:**

The Warrant was issued by the Selectmen under date of September 29, 1941 and was signed by David W. Kelley, Albert W. Smith, Willis D. McLean, John J. White and Charles P. Roundy. The proper service of the Warrant was attested by Levi S. Thompson, Constable of Walpole.

Pursuant to the foregoing warrant, a Special Meeting of the Inhabitants of the Town of Walpole, qualified to vote in elections and Town affairs, was held in the Auditorium of the High School Building in said Walpole on Monday, the Eighth Day of October, 1941 at 8:00 P. M.

The meeting was called to order at 8:00 o'clock P. M. by Henry W. Caldwell, Moderator, a quorum being present.

**On motion made and seconded, it was**

**Voted:** to waive the reading of the warrant.

**Article 1.** To hear and act on the report of any Committee, or to choose any Committee the Town may think proper, and transact any other business than may legally come before the Town.

There was no business brought up under this article.

**Article 2.** To see if the Town will vote to accept a report of the Board of Selectmen, acting as a Board of Survey, relative to the acceptance of Hanson Avenue, from Main Street to School Street, or any portion thereof, as shown on a plan entitled, "Plan of Plimpton Homesteads, Walpole, Mass., by Kenneth E. McIntyre, C. E. dated May, 1941," or do or act anything in relation thereto.

**On motion made by the Chairman of the Selectmen and seconded, it was**

**Voted:** that the Town accept a report of the Board of Selectmen, acting as a Board of Survey, relative to the acceptance of Hanson Avenue, from Main St. to School St., as shown on a plan entitled "Plan of Plimpton Homesteads, Wapole, Mass., by Kenneth E. McIntyre, C. E. dated May, 1941."

**Article 3.** To see if the Town will vote to accept a report of the Board of Selectmen, acting as a Board of Survey, relative to the acceptance of Wedgemere Court, northeasterly from Hanson Avenue, its entire length as shown on a plan entitled "Plan of Plimpton Homesteads, Walpole, Mass., by Kenneth E. McIntyre, C. E. dated May 1, 1941", or do or act anything in relation thereto.

On motion made by the Chairman of the Selectmen and seconded, it was

**Voted:** that the Town accept a report of the Board of Selectmen, acting as a Board of Survey, relative to the acceptance of Wedgemere Court northeasterly from Hanson Avenue, its entire length as shown on a plan entitled, "Plan of Plimpton Homesteads, Walpole, Mass., by Kenneth E. McIntyre, C. E. dated May, 1941.

**Article 4.** To see if the Town will vote to reimburse John Hanson for the cost of the installation of a six inch water main in Hanson Avenue, raise and appropriate by transfer a sum of money therefor, or do or act anything in relation thereto.

On motion made by Mr. Reynolds and seconded, it was

**Voted:** that the Town raise and appropriate by transfer the sum of \$885.00 from the W. P. A. Water Account to reimburse John Hanson for the cost of an installation of a six inch water main in Hanson Avenue with a 6% guarantee.

**Article 5.** To see if the Town will vote to reimburse John Hanson for the cost of the installation of a six inch water main in Wedgemere Court, raise and appropriate by transfer a sum of money therefor, or do or act anything in relation thereto.

On motion made by Mr. Reynolds and seconded, it was

**Voted:** that the Town raise and appropriate by transfer the sum of \$380.89 from the Water Revenue Account to reimburse John Hanson for the cost of the installation of a six inch water main in Wedgemere Court, with the 6% guarantee.

**Article 6.** To see if the Town will vote to reimburse John Hanson for the cost of surfacing Hanson Avenue, raise and appropriate by transfer a sum of money therefor, or do or act anything in relation thereto.

On motion made by Mr. Reynolds and seconded, it was

**Voted:** that the Town raise and appropriate by transfer the sum of \$350.00 from the Excess and Deficiency Account to reimburse John Hanson for the cost of surfacing Hanson Avenue.

**Article 7.** To see if the Town will vote to reimburse John Hanson for the cost of surfacing Wedgemere Court, raise and appropriate by transfer a sum of money therefor, or do or act anything in relation thereto.

On motion made by Mr. Reynolds and seconded, it was

**Voted:** that the Town raise and appropriate by transfer, the sum of \$200.00 from the Excess and Deficiency Account, to reimburse John Hanson for the cost of surfacing Wedgemere Court.

**Article 8.** To see if the Town will vote to accept a report of the Board of Selectmen acting as a Board of Survey relative to the acceptance of Eastover Road from East Street southerly approximately 326 feet, or any portion thereof, as shown on a plan entitled "Plan and Profile of Eastover Road, in Walpole, Mass., by Schuyler L. Clapp, C. E. dated September 29, 1941," or do or act anything in relation thereto.

On motion made by the Chairman of the Selectmen and seconded, it was,

**Voted:** that the Town accept a report of the Board of Selectmen acting as a Board of Survey relative to the acceptance of Eastover Road from East St. southerly approximately 326 fee, as shown on a plan entitled "Plan and Profile of Eastover Road, in Walpole, Mass., by Schuyler L. Clapp, C. E. dated September 29, 1941."

**Article 9.** To see if the Town will vote to reimburse the Walpole Woodworkers, Inc., for the cost of the installation of a six inch water main in Eastover Road, raise and appropriate by transfer a sum of money therefor, or do or act anything in relation thereto.

On motion made by Mr. Reynolds and seconded, it was

**Voted:** that the Town raise and appropriate by transfer, the sum of \$572.41 from the W. P. A. Water Account to reimburse the Walpole Woodworkers, for the cost of the installation of a six inch water main in Eastover Road, with a 6% guarantee.

**Article 10.** To see if the Town will vote to reimburse the Walpole Woodworkers Inc., for the cost of surfacing Eastover Road, raise and appropriate by transfer a sum of money therefor, or do or act anything in relation thereto.

On motion made by Mr. Reynolds and seconded, it was

**Voted:** that the Town raise and appropriate by transfer, the sum of \$200.00 from the Excess and Deficiency Account to reimburse the Walpole Woodworkers for the cost of surfacing Eastover Road.

**Article 11.** To see if the Town will vote to accept a report of the Board of Selectmen, acting as a Board of Survey, relative to the acceptance of Hutchinson Road, 700 feet northeasterly from Common Street, as shown on a plan entitled "Plan and Profile of Hutchinson Road, Walpole, Mass. by Kenneth E. McIntyre, C. E. dated October 5, 1940," or do or act anything in relation thereto.

**Under Article 11, on motion made by Mr. Kelley, Chairman of the Board of Selectmen, and seconded, it was**

**Voted:** that the Town instruct and authorize the Board of Selectmen to record in the Registry the necessary papers to carry out the vote of the Special Town Meeting, July 29, 1940 under Article 15, wherein it was voted that the Town accept a report of the Board of Selectmen acting as a Board of Survey, relative to the acceptance of Hutchinson Road, 700 feet north-easterly from Common Street, as shown on a plan by Kenneth E. McIntyre, Engineer, Walpole, Mass.

**Article 12. To see if the Town will vote to reimburse Bessie C. Morris, for the cost of surfacing Hutchinson Road, raise and appropriate by transfer a sum of money therefor, or do or act anything in relation thereto.**

**On motion made by Mr. Reynolds and seconded, it was**

**Voted:** to indefinitely postpone this article.

**Article 13. To see if the Town will vote to raise and appropriate by transfer a sum of money to rebuild East Street from Short Street to Bird Street, or any portion thereof, said sum to be in addition to the amount appropriated under Article 25 of the warrant for the 1941 Adjourned Annual Town Meeting, or do or act anything in relation thereto.**

Under Article 13, Mr. Reynolds made a motion which was seconded that this article be indefinitely postponed. Mr. Walter Meyer and Mr. John Geehan were sworn in as tellers by the moderator.

Affirmative	24
Negative	35

The Moderator declared the motion was not carried.

Mr. Kelley, Chairman of the Selectmen, made a motion which was seconded that the sum of \$1,100.00 be raised and appropriated by transfer from the Excess and Deficiency Account to rebuild East Street from Short St. to Bird St., said sum to be in addition to the amount appropriated under Article 25 of the warrant for the 1941 Adjourned Annual Town Meeting.

On being put to a vote, the Moderator declared the motion was not carried.

**Article 14. To see if the Town will vote to raise and appropriate by transfer to the following accounts the following amounts:**

Traffic Equipment and Repairs .....	\$55.00
Board of Selectmen, Safety Committee ...	75.00
General Highway Maintenance .....	1,500.00
Sidewalk Construction, East St. ....	500.00
Building Repairs .....	1,000.00
<b>Total .....</b>	<b>\$3,130.00</b>

or do or act anything in relation thereto.

Under Article 14, the Moderator suggested that each appropriation be voted upon separately.

**On motion made by Mr. Reynolds and seconded, it was**

**Voted:** that the Town raise and appropriate from the Excess and Deficiency Account to the Accounts and in the amounts detailed below the sum of \$2,630.00:

Traffic Equipment and Repairs .....	\$55.00
Board of Selectmen, Safety Committee ...	75.00
General Highway Maintenance .....	1,500.00
Building Repairs .....	1,000.00
<b>Total .....</b>	<b>\$2,630.00</b>

**Article 15.** To see if the Town will vote to raise and appropriate by transfer the sum of \$1,000.00 from the Sewer Assessment Account to the Sewer Maintenance Account, said sum to be in addition to the amount raised under Article 20 of the Warrant for the 1941 Adjourned Annual Town Meeting, or do or act anything in relation thereto.

**On motion made by Mr. Reynolds and seconded, it was**

**Voted:** that the Town raise and appropriate by transfer, the sum of \$1,000.00 from the Sewer Assessment Account to the Sewer Maintenance Account, such sum to be in addition to the amount raised under Article 20 of the Warrant for the 1941 adjourned Annual Town Meeting.

**Article 16.** To see if the Town will grant to the Bird Machine Company of South Walpole, Massachusetts, the right to maintain the opening of the intake to its water wheel, its railroad siding and its transformers, as now located in the layout of Neponset Street, or do or act anything in relation thereto.

**On motion made by Chairman of the Selectmen and seconded, it was**

**Voted:** that the Town grant to the Bird Machine Company of South Walpole, Mass., the right to maintain the opening of the intake to its water wheel, its railroad siding and its transformers, as now located in the layout of Neponset St. and authorize the Board of Selectmen to sign, seal and deliver any necessary papers therefor.

**Article 17.** To see if the Town will vote to change from General Residence District to Business District the following described premises of the Federal Farm Mortgage Corporation bounded and described as follows: Northwesternly by the State Highway leading to Providence known as Route 1; easterly by the town line between Walpole and Sharon; southerly by land now or formerly of Perry; southwesterly by Pine Street; westerly by land now or formerly of Dorr and land now or formerly of Walpole Center Development Co., containing 29.3 acres more or less, excepting so much thereof as was previously zoned as a Business District at a Special Town Meeting held on June 24, 1935, or do or act anything in relation thereto. (Petition of Federal Farm Mortgage Corporation).

Under Article 17, Mr. McLean stated that the petitioners withdrew their article. Mr. McLean made a motion which was seconded, that the article be indefinitely postponed.

**Voted:** that the article be indefinitely postponed.

**Article 18.** To see if the Town will vote to change from General Residence District to Business District the following described premises of Winslow E. and Florence E. Whittier located on the northwesterly side of Union St. opposite Wolcott Avenue and bounded and described as follows: Easterly by land of Samuel P. Graves; westerly by land of Eunice A. Whittier; northwesterly by the Old Colony Railroad and southerly by Union Street, said area containing approximately 21,000 square feet, or any portion thereof, or do or act anything in relation thereto. (Petition of Winslow E. and Florence E. Whittier).

Under Article 18, Mr. McLean stated that the petitioners withdrew their article, Mr. McLean made a motion which was seconded, that the article be indefinitely postponed.

**Voted:** that the article be indefinitely postponed.

**Article 19.** To see if the Town, as authorized by Chapter 299 of the Acts of 1941, will convey to Elizabeth A. Spear, by Quit Claim Deed, the following described premises: Beginning at a concrete bound at the southwesterly corner of said parcel of land now or formerly of Horace A. Spear and of the Town of Walpole; thence north forty degrees, nine minutes east one hundred and seven feet along land now or formerly of Horace A. Spear to a concrete bound at land now or formerly of Leroy F. Spear; thence south forty-nine degrees, fifty-one minutes east fifty feet on land now or formerly of Leroy F. Spear to a point at land of the town of Walpole; thence south forty degrees, nine minutes west one hundred and seven and twelve one hundredths feet along said land of the town of Walpole to a point at other land now or formerly of said Horace A. Spear; thence north forty-nine degrees,

forty-two minutes, twenty-six seconds west fifty feet on land now or formerly of said Horace A. Spear to the point of beginning, said parcel containing fifty-four hundred square feet more or less. Said deed to be executed by the Board of Selectmen, or do or act anything in relation thereto.

On motion made by Chairman of the Selectmen and seconded, it was

**Voted:** that the Town, as authorized by Chapter 299 of the Acts of 1941, convey to Elizabeth A. Spear, by Quit Claim Deed, the following described premises: Beginning at a concrete bound at the southwesterly corner of said parcel of land now or formerly of Horace A. Spear and of the Town of Walpole; thence north forty degrees, nine minutes east one hundred and seven feet along land now or formerly of Horace A. Spear to a concrete bound at land now or formerly of Leroy F. Spear; thence south forty-nine degrees, fifty-one minutes east fifty feet on land now or formerly of Leroy F. Spear to a point at land of the town of Walpole; thence south forty degrees, nine minutes west one hundred and seven and twelve one hundredths feet along said land of the town of Walpole to a point at other land now or formerly of said Horace A. Spear; thence north forty-nine degrees, forty-two minutes, twenty-six seconds west fifty feet on land now or formerly of said Horace A. Spear to the point of beginning, said parcel containing fifty-four hundred square feet more or less. Said deed to be executed by the Board of Selectmen.

Affirmative	58
Negative	0

The Moderator declared the motion was carried.

**Voted:** at 9:45 P. M. that this meeting be dissolved.

**TOWN OF WALPOLE  
COMMONWEALTH OF MASSACHUSETTS  
SPECIAL TOWN MEETING**

**December 15, 1941**

**Norfolk, ss:**

The Warrant was issued by the Selectmen under date of November 28, 1941 and was signed by David W. Kelley, Albert W. Smith, Willis D. McLean, Charles P. Roundy and John J. White. The proper service of the Warrant was attested by Levi S. Thompson, Constable of Walpole.

Pursuant to the foregoing warrant, a Special Meeting of the Inhabitants of the Town of Walpole, qualified to vote in elections and Town affairs, was held in the Auditorium of the High School Building in said Walpole, on Monday, the Fifteenth day of December, 1941 at 8:00 o'clock P. M.

The meeting was called to order at 8:00 o'clock P. M. by Henry W. Caldwell, Moderator, a quorum being present.

**On motion made and seconded, it was**

**Voted:** to waive the reading of the warrant.

**Article 1.** To hear and act on the report of any Committee, or to choose any Committee the Town may think proper and transact any other business that may legally come before the Town.

Mr. David W. Kelley, Chairman of the Selectmen, introduced Mr. George W. Towle, Jr., a citizen of Walpole for many years and a former Moderator, who gave an interesting and instructive talk relative to the 150th anniversary on this date of the passage of the Bill of Rights by the Congress of the United States.

Under this article Mr. Caldwell, the Moderator, appointed Timothy E. Delaney and Richard H. Kannally as Tellers for this meeting and both were sworn into office by the Moderator.

**Article 2.** To see if the Town will vote to raise and appropriate by transfer the sum of \$1,993.40 from unexpended balances as follows:

From the Welfare Expense Account .....	\$1,740.00
Replacing Police Cars, Account .....	79.00
Parks, New Truck 1941, Account .....	22.66
Chestnut Street Layout .....	15.48
Stop River Bridge Account .....	38.33
Winter Street Repairs, Account .....	.43
New Fence at Town Dump .....	97.50
<b>Total</b> .....	<b>\$1,993.40</b>

to the following Accounts:

Old Age Assistance, Expense Account .....	\$1,700.00
Military Aid Account .....	40.00
Building Repairs Account .....	151.74
Collector's Expense Account .....	22.66
Selectmen's Expense Account .....	79.00
Total .....	\$1,993.40

or do or act anything in relation thereto.

On motion made by Mr. Reynolds, Chairman of the Appropriation Committee, and seconded it was

**Voted:** that the Town raise and appropriate by transfer the sum of \$1,993.40 from

Welfare Expense Account .....	\$1,740.00
Replacing Police Cars Account .....	79.00
Parks, New Truck 1941, Account .....	22.66
Chestnut Street Layout .....	15.48
Stop River Bridge Account .....	38.33
Winter Street Repairs Account .....	.43
New Fence at Town Dump .....	97.50

Total .....	\$1,993.40
-------------	------------

to the following Accounts:

Old Age Assistance Expense Account .....	\$1,700.00
Military Aid Account .....	40.00
Building Repairs Account .....	151.74
Collector's Expense Account .....	22.66
Selectmen's Expense Account .....	79.00
Total .....	\$1,993.40

Article 3. To see if the Town will vote to raise and appropriate by transfer from the Excess and Deficiency Account the sum of \$4,877.41 to the following Accounts:

General Highway .....	\$675.00
Police Department Expense Account .....	327.41
Fire Department, Firemen's Service Account ..	830.00
Fire Department, Purchase of Hose .....	500.00
Health Department .....	480.00
Dental Clinic .....	65.00
Walpole Military Police Company, State Guard Reserve .....	2,000.00

Total .....	\$4,877.41
-------------	------------

or do or act anything in relation thereto.

**On motion made by Mr. Reynolds, Chairman of the Appropriation Committee, and seconded, it was**

**Voted:** that the Town raise and appropriate by transfer from the Excess and Deficiency Account the sum of \$4,772.41 to the following Accounts:

General Highway .....	\$575.00
Police Department Expense Account .....	327.41
Fire Department, Firemen's Service Account ...	830.00
Fire Department, Purchase of Hose .....	500.00
Health Department .....	480.00
Dental Clinic .....	60.00
Walpole Military Police Company, State Guard Reserve .....	2,000.00
Total .....	<hr/> \$4,772.41

with the understanding that the Board of Selectmen will administer the expenditure of the appropriation of \$2,000.00 for Walpole Military Police, State Guard Reserve as they deem best for defense purposes.

**Article 4.** To see if the Town will vote to raise and appropriate by transfer the sum of \$1,000.00 from the Water Surplus Account to the Water Department, or do or act anything in relation thereto.

**On motion made by Mr. Reynolds, Chairman of the Appropriation Committee, and seconded, it was**

**Voted:** that the Town raise and appropriate by transfer the sum of \$1,000.00 from the Water Surplus Account (Previous Years) to the Water Department Account.

**Article 5.** To see if the Town will vote to raise and appropriate by transfer the sum of \$1,100.00 from the School Department Salary Account to the School Department Expense Account, or do or act anything in relation thereto. (Petition of School Committee).

**On motion by Mr. Reynolds, Chairman of the Appropriation Committee and seconded, it was**

**Voted:** that the Town raise and appropriate by transfer the sum of \$1,100.00 from the School Department Salaries Account to the School Department Expense Account.

**Article 6.** To see if the Town will vote to change from single residence zone to Mercantile Zone the following described premises of Adolph Tokaz:

Beginning at the southerly corner of the parcel on the northwest sideline of the Boston-Providence Turnpike, Route 1, and the land of Mary Fallon; thence northerly along the land of said Mary D. Fallon to a point 300 feet from said northwest sideline of the Boston-Providence Turnpike; thence northeast on a line parallel and 300 feet distant from said northwest sideline of the Boston-Providence Turnpike and along this land of Tokaz to a point at the land of Louis E. Vose; thence northeast along the land of said Louis E. Vose to a point at the northwest sideline of said Boston-Providence Turnpike; thence southerly on said northwest sideline of the Boston-Providence Turnpike. This area is a portion of parcel D 901-A shown on the Assessor's Plan, Sheet D-9, or do or act anything in relation thereto. (Petition of Adolph Tokaz).

Under this article Mr. William Sheehan, Chairman of the Town Planning Board, reported that the Town Planning Board had held a hearing relative to change of zoning asked for under this article and that the Town Planning Board recommended this change of zone.

On motion made by Mr. Willis D. McLean, a member of the Board of Selectmen and also a member of the Planning Board, and seconded, it was

**Voted:** that action on this article be postponed until the Annual Town Meeting in 1942.

**Voted:** at 8:55 P. M. that this meeting be dissolved.

A True copy. Attest:
